### Information re: Free School Meals

Dear Parents and Carers,

If your child is eligible for Free school meals then the government have announced that this support will continue whilst schools are closed. The arrangements confirmed so far are as follows:

**Monday 23<sup>rd</sup> March 2020, Morning** – a hamper, that will provide a lunchtime meal for 7 days, will be available to collect from the school office.

It would be helpful if you could please collect the hamper if you are not self-isolating due to symptoms. We will text you on Monday morning with a specific time slot for you to collect your hamper.

If you are self-isolating due to symptoms then the hamper will be delivered to your door step by our school staff – we will telephone you first. Please telephone us after 9.30am if you are unable to collect it.

We are waiting for a voucher system to be set up by the government, once in place the vouchers will either be emailed or printed and posted/delivered to you if you are unable to access the internet. Further information will follow when this is up and running next week.

Please ensure that you have provided the school office with your email address.

Yours Sincerely,
