## Myon/Times tables Rocks Stars

Your child will be given a login in their diary for Myon where they can read books online at home. They will also be given a login for times tables rocks stars. On this website they can practise their times tables in a fun and engaging way.

## Home Reading

It is really important that you listen to your child read at home at least three times a week and sign their reading diary.

# Learning Together in Year 4

# Autumn Term 2020

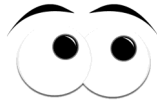

# Curriculum

The purpose of this leaflet is to inform you about your child's learning this term.

Children are more likely to be successful learners when there is regular communication and a good partnership between home and school. He/she is more likely to talk about their learning if you are involved and informed, so that you too, can talk about your child's interests.

You will find a section explaining the topics your child will be covering this term.

Keep your eyes peeled for dates to come into school to share learning with your child like 'Watch Me Learn' and assemblies.

If anyone has any resources or artefacts which would be of interest, for example, in history, we would appreciate your contribution.

Thank you for your support.
