

## Homework

Your child will be given homework activities each week for Maths and English. These will link to what we have been doing in lessons and will be tailored to your child's ability.

## Home Reading

It is really important that you listen to your child read at home EVERY night and sign their reading diary.

## Accelerated Reader

All children in school take a quiz on the computer to check their understanding of the book they have read. This will then track your child's reading progress.

As a parent, you can log in to the Accelerated Reader programme to check your child's progress.

## Information for parents.

Annual reports to parents will be sent out at the end of the summer term.

Should you wish to, you will be able to discuss the report with the class teacher, by appointment, either during the afternoon or evening sessions.

## Start of Day

Pupils are welcome to enter school from 8.50am in the mornings, however they are not permitted to be on the yard without an adult before this time.

Registration begins at 9am and lessons begin at 9.10am.

Thank you for your continued support.

# Learning Together in Year 6

# Autumn Term 2020

The purpose of this leaflet is to inform you about your child's learning this term.

Children are more likely to be successful learners when there is regular communication and a good partnership between home and school. They are more likely to talk about their learning if you are involved and informed, so that you too, can talk about your child's interests.

You will find a section explaining the topics your child will be covering this term.

If anyone has any resources or artefacts which would be of interest, for example, in history, we would appreciate your contribution.

Thank you for your support.

## Curriculum

Our topic for the Autumn term is World War Two. We are hoping to book a trip to the Holocaust Museum.

We will link our English with our class text— 'The Boy in the Striped Pyjamas'.

Maths—we will have more of an emphasis on all children knowing their times tables and applying their knowledge to arithmetic. We will be applying maths to other areas of the curriculum and with real life situations.

Science—our focus for the first half term is light.

## Meet the Staff

### We are here to help

6R—Mrs Rooney—class teacher

Miss Blando— teaching assistant

Miss Poole— teaching assistant

6H—Miss Holdcroft— class teacher

Mrs Hazledine— teaching assistant

Mrs Davies- teaching assistant

## Important:

**Please ensure the office have your current email address and mobile phone number to ensure you are kept up to date with important information.**

## Going for Gold!

At Moorpark Junior School we believe everybody can achieve!

We use bronze, silver, gold and platinum success criteria to reinforce our no limits learning!  
Ask your teacher for more information.

## PE

For Year 6, PE will be on Mondays.  
Please ensure your child wears the correct PE kit.

Plain white t-shirt, navy shorts or tracksuit bottoms and trainers.  
Remember to have your PE kit in school.

Swimming for Year 6 will be in the Summer term. Date TBC.

For more information regarding school life like uniform, holiday dates and newsletters please see our website:

[www.moorpark.stoke.sch.uk](http://www.moorpark.stoke.sch.uk)

or our Facebook page.

## Did you know?

Parents can have a log in for:  
Accelerated Reader - reading programme.

All children will be provided with logins for TT Rockstars and My-On.co.uk [reading]

Ask at the office for further information.

Children have been provided with their parent login for class dojo. Please sign up to this to keep up to date with your child's learning and important messages.
