IMPROVEMENTS TO END OF DAY PICK UP FROM MONDAY 14TH SEPTEMBER 2020

ALL morning drop off times and arrangements have not changed at all.

At the end of the day parents and carers in all year groups can enter by either of the small gates (off Park Road or by the main office)

Year 3, 4 and 5 parents will exit by the double blue gates onto Park Road.

Year 6 will continue to use the main entrance.

The main change is for Year 4 – parents and carers who will now go to the main playground, your children will exit by the single Year 3 door (as they did last year).

All times are still staggered so there should not be a mix of year group adults standing together. It is important that you keep to your time to avoid this.

Please follow strict social distancing whilst you are waiting on the playground. This will help to keep everyone safe with space but most importantly it will enable the staff and children to see you.

See updated end of day site maps below for year 4 and year 5.

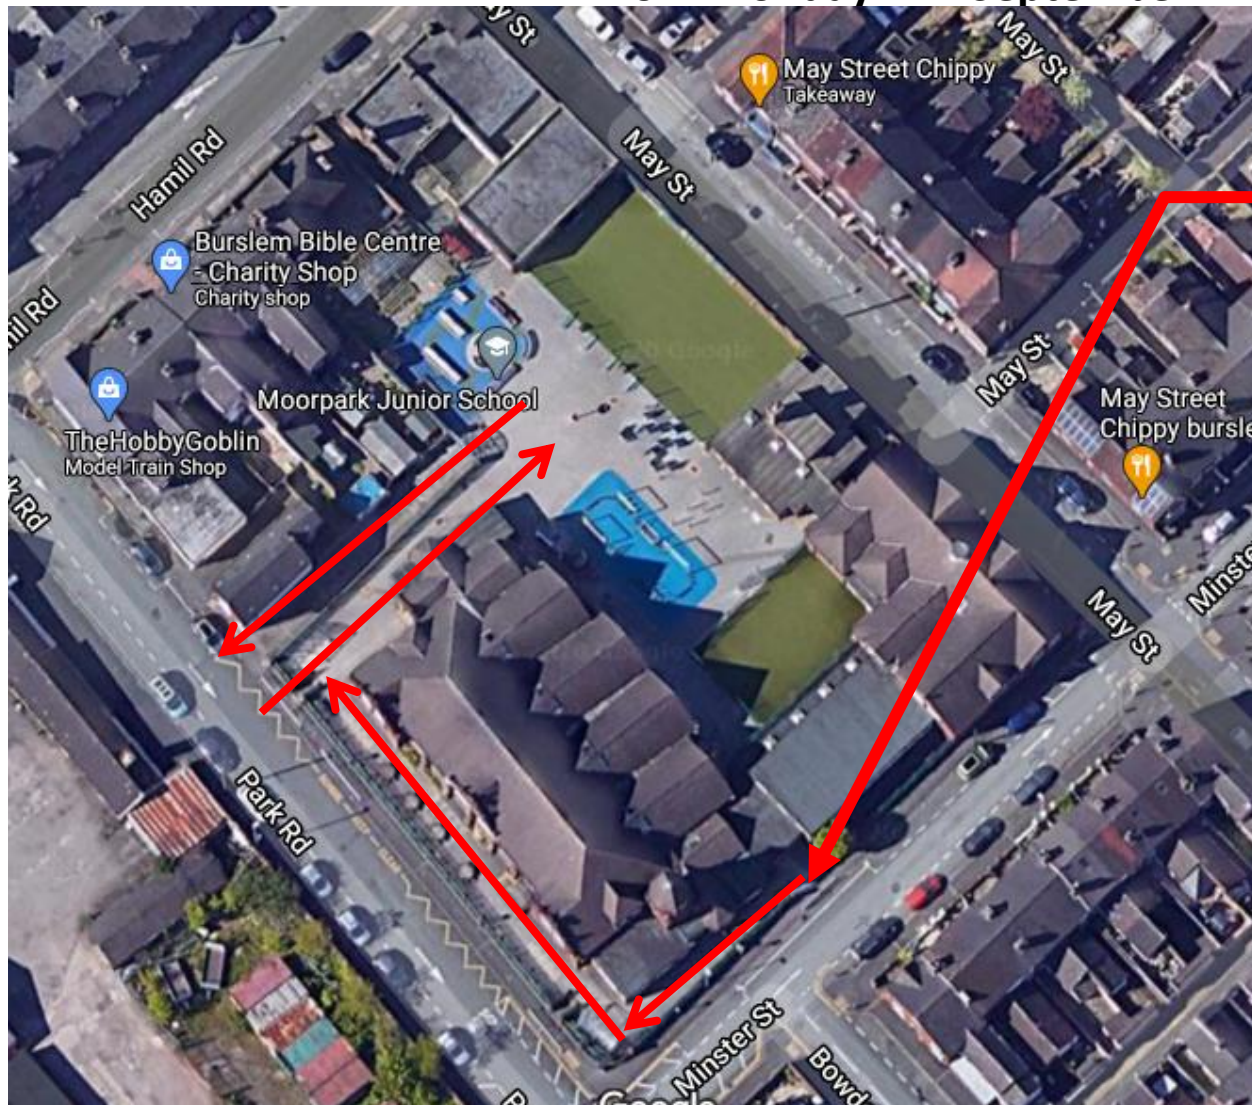

Many thanks again for your kind support and patience to get this right.

**Kindest regards,
Mrs Peters**
