Dear parents and carers,

Your child is eligible for free school meals and is attending school during the current lockdown. You may have more than one child attending.

From Monday, 8th, February, 2021, **you will no longer receive a voucher and your child will receive their free school meal in school as directed by the Government.**

If your child should be attending full time and does not attend on any day due to them not being well, then a packed lunch will be provided from the school for you to collect on that day if you notify the school that you would want school to do so.

If you have only requested a school place for a certain number of days per week then we can arrange for a food parcel for you to collect at the start of the week. You will need to let us know by the Friday of each week the days you require for the following week.

All families eligible for Free School Meals will still be receiving the voucher for half term via the Wonde system from the local authority Winter support scheme.

Please do not hesitate to get in touch with any questions or comments.

Yours sincerely,

Mrs K Peters,
(Headteacher)
