

# Catch Up Strategy Statement

1. Summary information					
<b>School</b>	Moorpark Junior School				
<b>Academic Year</b>	2020/21	<b>Total Catch Up budget</b>	£19,500	<b>Total number of pupils Y3- Y6</b>	238

Desired outcomes <i>(Desired outcomes and how they will be measured)</i>		Success criteria
<b>A.</b>	Effective High Quality Teaching supported by evidence informed CPD for teachers and support staff firmly embedded across the school in remote teaching strategies.	For all pupils to make good progress and identified groups to make accelerated progress from 2020 – 21 baseline teacher assessment.  Outcomes at the end of KS2 show that all pupils (where appropriate) achieve Age Related Expectations
<b>B.</b>	Targeted academic support established across the school is in place.	Gaps are closing and learning which was lost has been identified and addressed leading to accelerated progress across the school.
<b>C.</b>	Wider strategies are used to address barriers to ensure success. Attention on supporting pupils' social, emotional and behaviour needs as part of good teaching is an effective strategy to support learning.	Pupils transition back into school following any type of school absence (isolation, bubble closure, national lockdown) is successful and their social, emotional and mental health needs are supported.  Curriculum provides additional PSHCE opportunities to support pupils social, emotional and mental health needs following the Covid related school closures.
