

MPJ NEWS

The latest news, views and announcements from the MPJ Newspaper Team.

A letter from the MPJ News Team

Welcome to the *MPJ Newsletter!*

The newsletter was first established in 2021 by Liliana (Y5), and has now grown into a strong, hard-working team of ten members.

Together, we have been gathering some amazing articles, fantastic reviews and loads more exciting things for you to read!

Meet the MPJ News Team:

Liliana (Y5): CEO and Writer.

Miss Poole (Staff): Editor.

Owen (Y6): Editor.

Lola (Y6): Science Journalist.

Beaux (Y4): Fact File Journalist.

Richmond (Y3): Quiz Master.

Emily (Y5): Assistant.

Suraiya (Y5): Assistant.

Emma (Y5): Assistant.

Gabriella (Y5): Assistant.

We are looking for journalists and artists!

We are always looking for new stories, works of art and articles to be placed into our newsletter.

If you want to be published, then please post your work into the letterboxes around school:

Year 3 and 4 - the red box by Mrs Wright's Office.

Year 5 and 6 - the red box at the top of the stairs.

THE INTERNET ISSUE

One of the most famous online games to play is Roblox. There are many different games and adventures to do on there. Even more so, you can create your own characters, worlds and you can even design your own games.

However, in this game there are also risks. Here are some of my tips to keep you safe on the internet:

1. NEVER share your passwords. You need to keep these safe, as someone could pretend to be you.
2. ONLY add people that you know. Never add strangers as this could also be very dangerous.
3. TELL your parents or teachers if someone starts to talk to you online that you do not know.
4. BLOCK people that ask for your personal information, whether this is your age, address, passwords or even school name!

By Liliana (Y5)

INTERNET FACTS

- A website starts with this: WWW. This stands for World Wide Web.
- You can access the internet on the top of Mount Everest! Mount Everest is the tallest mountain in the world.
- The first webcam was created to check who was using the last of the coffee!
- Can you guess what is the most digitally photographed food is that you can find on the internet? It is pizza!

By Beaux (Y4)

This drawing was given to us with no name. If you would like your name printed, please post your name into a letterbox and we reprint this amazing drawing!

Artist Work Wanted

We are looking for pieces of art work to put into our newsletter. Post your artwork into the red letterboxes.

SPOTLIGHT ON SCIENCE

Tim Berners-Lee is a UK born Computer Scientist. He wanted to find a way that scientists could share their experiments with each other.

He used the Internet and a special computer language called hypertext to make a way for people at the lab to be able to put information on the Internet. On 6th August 1991, Sir Tim Berners-Lee launched the first ever website.

By Lola (Y6)

STARTING SCIENCE PROJECTS (SSP)

My name is Faseeh, and I am a Science Ambassador for Moorpark Junior School.

I want to set up SSP. SSP is a project where I, and the other ambassadors, will try out new experiments that have been voted for by the readers of MPJ News. Please read over the titles of the experiments below, and tick which experiment seems the most interesting to you. Look out for the results in the next issue!

1. Does salt dissolve quicker in coca-cola or water?
2. What is the difference between salt and sugar when you put them under a microscope?

By Faseeh (Y6)

REVIEWS

101 Dalmations

This is one of my favourite books. It is almost as good as the films! I also like the new Cruella film.

By Anonymous

The Christmas Chronicles

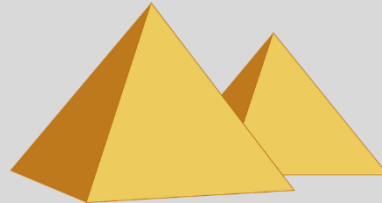

It is a very good film to watch at Christmas. It is all about Christmas, and gets you ready for it.

By Zainab (Y3)

If you have a review, please post it into the red letterboxes. Remember to put your name on it!

EGYPTIAN FACTS

- Did you know that in Ancient Egypt they worshipped over 2000 different gods and goddesses?
- Horus is the name of the god of the sky.
- Horus is also the son of Osiris and Isis, who were also a god and goddess.
- The tomb of Tutankhamun, an ancient Egyptian pharaoh, was found by a man called Howard Carter in 1922. That is nearly 100 years ago!

QUIZ

1. What does SMART stand for? (Have a look at your class displays if you need help)
2. Which is the most popular internet browser, Google or Firefox?
3. What is the name of the app that we use in school to help us learn the Times Tables?
4. Name one thing that you can use the internet on.

ANSWERS:

Post your correct answers into the letterbox by Wednesday 17th November, and one random child will be selected to win a small prize. (Remember to put your name and class on it!)
