#### **4. LEGAL FRAMEWORK**

- 4.1. This policy and the accompanying procedures have been developed in accordance with the following legislation, statutory guidance and local safeguarding procedures:
- 4.2. **Section 175 of the Education Act 2002** places a duty on governing bodies of maintained schools and further education institutions (including sixth-form colleges), to make arrangements for ensuring that their functions relating to the conduct of the school are exercised with a view to safeguarding and promoting the welfare of children who are pupils at the school.
- 4.3. **Section 157** of the same Act places the same duty on all non-maintained and independent schools, including free schools and academies.
- 4.4. **Section 17 of the Children Act 1989** applies to children who have highly complex needs (for example a child with a disability); or a child who may be experiencing compromised parenting and require Children's Social Care involvement to ensure their needs are met through a Child in Need Plan.

#### **5. ROLES and RESPONSIBILITIES**

- 5.1. **Designated Safeguarding Lead (DSL)** – This is the lead person with overall responsibility for safeguarding and child protection within each academy school of The New Guild Trust. The DSL's responsibilities are described in **Appendix 1**.

- 5.2. The DSL is on each individual academy school's leadership team and their role as DSL is explicit in their job description. This person has the appropriate authority and is given the time, funding, training, resources and support to provide advice and support to other staff on child welfare and child protection matters, to take part in strategy discussions and inter-agency meetings – and/or to support other staff to do so; and to contribute to the assessment of children.
- 5.3. During emergency school opening arrangements (e.g. Covid-19) and during all holiday and wrap around care provision there is an identified DSL or Deputy DSL on duty rota. This maybe a DSL/ Deputy DSL from any of the Trusts individual academy school's leadership team. The DSL on duty will be known to all members of staff.
- 5.4. **Deputy Designated Safeguarding Leads** - We have two **Deputy DSLs** in each academy school of The New Guild Trust to ensure there is appropriate cover for the above role at all times.
- 5.5. **Early Help Champion** – Each academy school's Early Help Champion is responsible for leading on, and supporting other staff to lead on, early help assessments and early help plans for children and their families requiring help and support that does not meet the threshold for involvement with Children's Social Care.
- 5.6. **Safeguarding Governor** – We have nominated governors on Local Community Governing bodies for The New Guild Trust responsible for safeguarding who will champion good practice, liaise with the Head Teacher to provide support and challenge, ensure that safeguarding arrangements are audited and quality assured, and to provide information regarding safeguarding to the Trust Board.
- 5.7. **Senior Manager for Dealing with Allegations** – The Head Teacher is responsible for dealing with allegations of abuse made against school staff. The Manager for dealing with allegations against the Head Teacher is the Trust members/Chair of Local Community Governors. The procedure for managing allegations is detailed in **Appendix 14**.
- 5.8. **Executive/Head Teacher/Head of School** - will ensure that the policies and procedures adopted by the Trust Board/Local Governing Body are fully implemented and that sufficient resources and time are allocated to enable staff members to discharge their safeguarding responsibilities.
- 5.9. **The Trust Board/Local Community Governing Body** are collectively responsible for ensuring that safeguarding arrangements are fully embedded within The New Guild Trust's ethos and reflected in day-to-day practice.
- 5.10. **All staff members, Senior Leadership Teams, Trust Board, Local Community governors, volunteers and external providers** understand their responsibility to safeguard and protect children; know how to recognise signs and symptoms of abuse and neglect, how to respond to pupils who disclose, and what to do if they are concerned about a child.

## 6. SUPPORTING CHILDREN and YOUNG PEOPLE

- 6.1. We recognise that children who are abused or witness violence are likely to have low self-esteem and may find it difficult to develop a sense of self-worth. They may feel helpless, humiliated and have some sense of blame. Their academy school may be the only stable, secure and predictable element in their lives.
- 6.2. In these circumstances, a pupil's behaviour may range from that which is perceived to be 'normal' to behaviour which may be aggressive or withdrawn.
- 6.3. **The New Guild Multi Academy Trust will support all pupils by:**
  - Ensuring the content of the curriculum includes social and emotional aspects of learning;

- Ensuring a comprehensive curriculum response to e-safety, enabling pupils and parents to learn about the risks of new technologies and social media and how to use these responsibly;
- Ensuring that child safeguarding/protection, including on line safety, is included in the curriculum to help pupils stay safe, recognise when they do not feel safe, identify who they can talk to and where they can get help from;
- Ensuring access to a number of appropriate adults to approach if they are in difficulties;
- Building confidence, resilience and independence;
- Encouraging development of self-esteem and assertiveness while not condoning aggression or bullying;
- Ensuring repeated hate incidents, e.g. racist, homophobic, gender or disability-based bullying, are considered under child protection procedures;
- Liaising and working together with other support services and those agencies involved in safeguarding children; and
- Monitoring children who have been identified as having welfare or protection concerns and providing appropriate support.

## **7. CHILD PROTECTION and SAFEGUARDING PROCEDURE**

- 7.1. We have developed a structured procedure in line with Stoke-on-Trent and Staffordshire Safeguarding Children Board Procedures which will be followed by all members of The New Guild Trust community in cases of suspected abuse. This is detailed in **Appendix 8**.
- 7.2. The name of the DSL is clearly advertised in each academy school, with a statement explaining the school's role in referring and monitoring cases of suspected abuse or neglect.
- 7.3. We will ensure all parents and carers are aware of the responsibilities of staff members to safeguard and promote the welfare of children by publishing the policy and procedures on each academy school's website within The New Guild Trust and by referring to them in introductory school materials.
- 7.4. In line with the procedures, the Safeguarding Referral Team (SRT) will be notified as soon as there is a significant concern (or the relevant Children's Social Care Team if there is already a social worker involved).

## **8. RECORD KEEPING**

- 8.1. All child protection and welfare concerns will be recorded and kept in line with the Stoke-on-Trent and Staffordshire Safeguarding Children Board guidance. CPOMS software is utilised to assist this process to record a clear summary of the concern; details of how the concern was followed up; and resolved; notes of any action taken, decisions reached and the outcome.
- 8.2. During periods of emergency school opening and during holiday and wrap around care provision, senior leader DSL on duty from another academy school will have access and SLT permissions for CPOMS to the children in attendance. Where this has not been possible due to emergency school opening arrangements, then the DSL on duty will make records on paper concern forms and pass to the DSL of that child's own school to be uploaded onto CPOMS. Paper records for all child protection and welfare concerns for children will always be used for children who are not on roll at an academy school. The paper records will be secured in locked storage by the DSL in the providing academy school.

- 8.3. We will continue to support any pupil leaving any academy school within The New Guild Trust about whom there have been concerns, by ensuring that all appropriate information, including child protection and welfare concerns, are forwarded under confidential cover to the pupil's destination school as a matter of priority.

## 9. SAFER WORKFORCE and MANAGING ALLEGATIONS AGAINST STAFF and VOLUNTEERS

- 9.1. We prevent people who pose risks to children from working in our academy schools by ensuring that we undertake safeguarding checks in line with the statutory guidance - *Keeping Children Safe in Education 2021*.
- 9.2. We ensure that agencies and third parties supplying staff provide evidence that they have made the appropriate level of safeguarding checks on individuals working within The New Guild Trust.
- 9.3. Every job description and person specification has a clear statement about the safeguarding responsibilities of the post holder.
- 9.4. We ensure that at least one member of every interview panel has completed safer recruitment training.
- 9.5. We have a procedure in place to address allegations against members of staff and volunteers in line with *Keeping Children Safe in Education 2021* and *Stoke-on-Trent and Staffordshire Safeguarding Children Board Procedure: Managing Allegations against Adults Working with Children and Young People*. This procedure is detailed in **Appendix 13**.
- 9.6. We have a procedure in place to address 'low level' concerns in line with *Keeping Children Safe in Education 2021*. This procedure is detailed in **Appendix 13**.

## 10. STAFF INDUCTION, TRAINING and DEVELOPMENT

- 10.1. All new members of staff, including newly-qualified teachers, teaching assistants and supply staff, will be given induction that includes basic child protection training on how to recognise signs of abuse, how to respond to any concerns, e-safety and familiarisation with the Safeguarding and Child Protection Policy (including peer on peer abuse **Appendix 5: Section 4**), **Behaviour & Rewards Policy**, staff Code of Conduct, **safeguarding response to children who go missing from education, role of the designated safeguarding lead and any deputies**, and Part 1 of *Keeping Children Safe in Education 2021*.
- 10.2. The induction will be proportionate to staff members' roles and responsibilities.
- 10.3. The DSL will undergo updated relevant safeguarding training every two years (**not** L1 or L2 safeguarding training every 2 years, but a relevant course to expand the knowledge and understanding of various safeguarding issues locally and nationally. This is in line with LSCB guidance.)
- 10.4. All staff members of The New Guild Trust (including volunteers, Trust Board, and Local Community Governors) will undergo Level 1 face to face safeguarding and child protection training (whole-school training) every three years.
- 10.5. In addition to Level 1 safeguarding training every 3 years, all staff will also receive annual safeguarding and child protection updates (for example via e-mail, e-bulletins, staff meetings; briefing sessions or training); as required, but at least annually, to provide them with the relevant skills and knowledge to safeguard pupils effectively. This may be provided by the DSL or other member of the senior leadership team.
- 10.6. Staff members who miss the whole-school training will be required to join another school's whole-school training or attend an 'open session.'

- 10.7. The nominated Trust Board member/Local Community Governor for safeguarding will undergo face to face 'Introduction to Safeguarding for Governors' training, (as provided by the governor support unit and which includes Level 1 training); prior to or soon after appointment to the role. Level 1 safeguarding training should be updated every 3 years.
- 10.8. We will ensure that staff members provided by other agencies and third parties, e.g. supply teachers and contractors, have received appropriate child protection training commensurate with their roles before starting work. They will be given the opportunity to take part in whole-school training if it takes place during their period of work for any academy school within The New Guild Trust.
- 10.9. All academy schools within the New Guild Trust will maintain accurate records of staff induction, training and annual updates.

## **11. CONFIDENTIALITY, CONSENT AND INFORMATION SHARING**

- 11.1. We recognise that all matters relating to child protection are confidential.
- 11.2. The **Executive**/Head Teacher/Head of School or DSL will disclose any information about a pupil to other members of staff on a need-to-know basis only.
- 11.3. Staff members cannot promise a pupil to keep 'secrets' which might compromise their safety or well-being, or the safety and well-being of others.
- 11.4. All staff members have a professional responsibility to share information with other agencies in order to safeguard children, and the Data Protection Act is not a barrier to this.
- 11.5. All our staff members who come into contact with pupils will be given appropriate training to understand the purpose of information sharing in order to safeguard and promote children's welfare.
- 11.6. We will ensure that staff members are confident about what they can and should do under the law, including how to obtain consent to share information and when information can be shared without consent. This is covered in greater detail in **Appendix 10**.

## **12. INTER-AGENCY WORKING**

- 12.1. We will develop and promote effective working relationships with other agencies, including agencies providing early help services, as well as the police and Children's Social Care.
- 12.2. We will ensure that relevant staff members participate in multi-agency meetings, including early help meetings, child protection conferences and core groups.
- 12.3. We will participate in serious case reviews, other reviews and file audits as and when required to do so by the Stoke-on-Trent and Staffordshire Safeguarding Children Board. We will ensure that we have a clear process for gathering the evidence required for reviews and audits, embedding recommendations into practice and completing required actions within agreed timescales.

## **13. CONTRACTORS, SERVICE / ACTIVITY PROVIDERS and WORK PLACEMENT PROVIDERS**

- 13.1. We will ensure that contractors and providers are aware of The New Guild Trust's safeguarding and child protection policy and procedures. We require that employees and volunteers provided by these organisations use our procedure to report concerns.
- 13.2. We will seek assurance that employees and volunteers provided by these organisations and working alongside our pupils have been subjected to the appropriate level of safeguarding checks in line with *Keeping Children Safe in Education 2021*. If assurance is not obtained, permission to work with our children or use our academy school premises will be refused.

- 13.3. When we commission services from other organisations, we will ensure that compliance with our policy and procedures is a contractual requirement, along with the requirement for them to have undertaken safeguarding training appropriate to their role.

#### **14. WHISTLEBLOWING and COMPLAINTS**

- 14.1. We cannot expect pupils to raise concerns in an environment where staff members fail to do so.
- 14.2. Therefore we will ensure that all staff members are aware of their duty to raise concerns, where they exist, about the management of safeguarding and child protection, which may include the attitude or actions of colleagues. If necessary, they will speak with the Executive Head Teacher/Head of School, the Chair of the Local Community Governing Body or with the Local Authority Designated Officer (LADO).
- 14.3. We have a Confidential Reporting (Whistleblowing) Procedure which is available to all staff within The New Guild Trust.
- 14.4. We have a clear reporting procedure for children, parents and other people to report concerns or complaints, including abusive or poor practice.
- 14.5. We will actively seek the views of children, parents and carers and staff members on our child protection arrangements through surveys, questionnaires and other means.

#### **15. SITE SECURITY**

- 15.1. All staff members have a responsibility to ensure our buildings and grounds are secure and for reporting any issues or concerns that may come to light.
- 15.2. We check the identity of all visitors coming into any academy school within The New Guild Trust. Visitors are expected to sign in and out and to display a **Visitor's Badge** while on these academy school sites. Any individual who is not known or identifiable will be challenged for clarification and reassurance.
- 15.3. The academy schools within The New Guild Trust will not accept the behaviour of any individual, (parent, professional or anyone else); that threatens school security or leads others, child or adult, to feel unsafe. Such behaviour will be treated as a serious concern and may result in a decision to refuse that person access to any academy school site within the New Guild Trust.

#### **16. QUALITY ASSURANCE**

- 16.1. We will ensure that systems are in place to monitor the implementation of and compliance with this policy and accompanying procedures. This will include periodic audits of child protection files and records by the DSL.
- 16.2. We will complete a safeguarding audit of the New Guild Trust's academy schools' safeguarding arrangements at frequencies specified by Stoke-on-Trent and Staffordshire Safeguarding Children Board and using the audit tool provided by them for this purpose.
- 16.3. The school's senior leadership team and Local Community governing bodies within The New Guild Trust will ensure that action is taken to remedy without delay any deficiencies and weaknesses identified in child protection arrangements.

#### **17. POLICY REVIEW**

- 17.1. This policy and the procedures will be reviewed every academic year. All other linked policies will be reviewed in line with the policy review cycle.

17.2. The DSL of each academy school within The New Guild Trust will ensure that staff members are made aware of any amendments to policies and procedures.

- 1.2. Refers all cases of suspected abuse and neglect to Stoke-on-Trent's Safeguarding Referral Team (SRT) and to the Police if a crime may have been committed.
- 1.3. Liaises with the **Executive**/Head Teacher/Head of School (if DSL is not the **Executive**/Head Teacher/Head of School); about safeguarding issues relating to individual children, especially ongoing enquiries under section 47 of the Children Act 1989.

## 2. RECORD KEEPING – the Designated Safeguarding Lead:

- 2.1. Keeps written records of child protection and welfare concerns in line with Stoke-on-Trent and Staffordshire Safeguarding Children Board guidance. Using CPOMS during term time, and during emergency school opening periods (where CPOMS access has been authorised for a DSL on duty from another academy), holiday and care wrap around provision for all pupils attending an academy school. Keep paper written records for children who are not on roll at an academy school.
- 2.2. Creates a stand-alone file for pupils with safeguarding concerns. **Change to** Maintains CPOMS and stand-alone file for children not on roll at an academy school.
- 2.3. Maintains a chronology of significant incidents for each pupil with safeguarding concerns.
- 2.4. Ensure such records are kept confidentially and securely and separate from the pupil's educational record.
- 2.5. Ensure arrangements to hand over the child protection file of a pupil transferring to another school **within 5 days for an in-year transfer or within the first 5 days of the start of a new term,** are made without delay. The DSL will verbally advise the DSL of the destination school of the concerns and make arrangements to securely and confidentially hand over the file.
- 2.6. Where the destination school is too far for the DSL to do a personal handover, the file will be sent separate from the pupil's education file and by secure courier. The DSL will retain evidence to demonstrate how the file has been transferred, and will require a receipt from the destination school.

2.7. Where a parent elects to remove their child from the academy school roll to home educate, the educational establishment will make arrangements to pass any safeguarding concerns to the local authority.

### **3. INTER-AGENCY WORKING and INFORMATION SHARING – the Designated Safeguarding Lead:**

3.1. Co-operates with Children's Social Care for enquiries under section 17 and section 47 of the Children Act 1989.

3.3. Liaises with other agencies working with the child, shares information as appropriate and contributes to assessments.

3.4. Ensures each member of staff has access to and understands The New Guild Trust's safeguarding and child protection policy and procedures, including providing induction on these matters to new staff members.

3.5. Makes the safeguarding and child protection policy and procedures available publicly.

3.6. Raises awareness of parents and carers of the existence of the safeguarding and child protection policy, in particular that information may be shared with other agencies, cases of suspected abuse and neglect will be referred to Children's Social Care, and the role of the school in any investigations that ensue.

### **4. TRAINING – the Designated Safeguarding Lead:**

4.1. Undertakes appropriate safeguarding training **every two years**, in line with Keeping Children Safe in Education 2021 and guidance from the SSCB, in order to:

- be able to recognise signs of abuse and how to respond to them, including special circumstances such as child sexual exploitation, female genital mutilation, challenging extremism, etc.;
- understand the assessment process for providing early help and intervention, e.g. SSSCB Threshold Guide to Levels of Need 2019, Early Help and Safeguarding Thresholds;
- have a working knowledge of how the local authority conducts initial and review child protection conferences and contribute effectively to these;
- be alert to the specific needs of children in need (as specified in section 17 of the Children Act 1989), those with special educational needs, pregnant teenagers and young carers.

4.2. Ensure each member of staff has access to and understands The New Guild Trust's safeguarding and child protection policy and procedures, including providing induction on these matters to new staff members.

4.3. Organises whole academy school SSCB Level 1 safeguarding training for all staff members at least **every three years**.

4.4. Ensures staff members who miss the training receive it by other means, e.g. by joining an open session or another school's training.

4.5. Provides an annual briefing/update/training session to the whole academy school on any changes to child protection legislation and procedures (internally, locally or nationally); relevant learning from local

and national serious case reviews; or awareness raising regarding any safeguarding issues or themes emerging locally or nationally.

4.6. Links with Stoke-on-Trent and Staffordshire Safeguarding Children Board to identify appropriate training opportunities for relevant staff members.

4.7. Ensures the academy school allocates time and resources every year for relevant staff members to attend training.

## APPENDIX 2 - Guide to Levels of Need

### 1. THE STOKE-ON-TRENT and STAFFORDSHIRE SAFEGUARDING CHILDREN BOARD (SSSCB) THRESHOLD GUIDE TO LEVELS OF NEED, EARLY HELP & SAFEGUARDING THRESHOLD CRITERIA 2019

- 1.1. All academy schools within The New Guild Trust recognise the importance of identifying issues early, and providing early help for children and families in order to prevent issues from escalating.
- 1.2. Most parents can look after their children without needing help from anyone other than their family or friends. However, some parents may need additional help from the academy school or from other services such as the NHS.
- 1.3. Providing help early is more effective in promoting the welfare of children, than reacting later.
- 1.4. As such, we are committed to working collaboratively with other agencies and with the Early Intervention Teams to provide a co-ordinated offer of early help, in line with *Working Together to Safeguard Children 2018, Keeping Children Safe in Education 2021* and local guidance.
- 1.5. We use Stoke-on-Trent and Staffordshire Guide to Levels of Need, Early Help and Safeguarding Threshold criteria (2019) to support us in our discussions with colleagues from other agencies, and to make decisions about the right level of support/assessment required for the child and family. And when this should be 'stepped up' or 'stepped down'.
- 1.6. The Guide to Levels of Need has four levels and every child living in Stoke-on-Trent and Staffordshire will fit into one of these four levels:

#### Stoke-on-Trent and Staffordshire 'The Windscreen Threshold Model'

#### 1.7. Level 1 – Universal Services - Children do not have additional needs

- Children are achieving expected outcomes.
- Their needs are met by their parents alongside universal services.
- No additional support is required as there are no concerns about health and development, parenting capacity or environmental factors.

### 1.8. Level 2 – Initial Early Help - Children have some additional need

- Parents require professional support or guidance to help them to meet their children's needs.
- We are able to provide that additional support or make a referral to an agency that is able to provide that support.
- We will undertake an *initial early help assessment* to enable us to provide the right support.
- The paperwork and registration details for initial early help can be found at:  
<http://www.safeguardingchildren.stoke.gov.uk/ccm/navigation/category.jsp?categoryID=667337>  
<https://www.staffsscb.org.uk/Professionals/Staffordshire-Early-Help-Strategy/Staffordshire-Early-Help-Strategy.aspx>  
  
<https://www.staffsscb.org.uk/working-together-to-safeguard-children/early-help-strategy/staffordshire-early-help/>

### 1.9. Level 3 – Early Help - Children with multiple and complex needs

- Needs cannot be met at previous levels and children and parents require co-ordinated, targeted, multi-agency intervention and support to meet the children's needs.
- The initial early help assessment will be the referral into the Early Intervention Team, if additional support is required.
- Needs are met through multi-agency support and the use of Early Help Plans.
- We will register with the Early Help Assessment/plan with the Early Help Co-ordinator.

### 1.10. Level 4 – Safeguarding - Children with acute needs, including children in need of protection

- Children and parents require multi-agency responses which include specialist intervention coordinated by Children's Social Care under section 17 or section 47 of the Children Act 1989.
- Risks and unmet needs have not been resolved through Early Help intervention.
- If there is an immediate risk of harm then the Police will be contacted.
- If there is a risk of significant harm, Section 47, or a child meets the threshold for Child in Need, Section 17, a referral will be made to Children's Social Care. Please see **Appendix 9** for the referral procedure.

### 1.11. Signs of Safety (SoS) Wellbeing

'Signs of Safety Wellbeing' is a new model of working adopted by children's social care. The New Guild Trust will follow this model in our assessment processes from Initial Early Help (Level 2) and through all each level until case closure.

Signs of Safety (SoS) Wellbeing encourage us to reflect upon what is working well, what our concerns are, what we have done to support the child/family so far, and what needs to happen next. It also emphasizes the need to seek the views of the family and child.

Further information regarding Signs of Wellbeing can be found on the SSCB website:

## APPENDIX 3 - Categories of Abuse

Abuse and neglect are forms of maltreatment. Someone may abuse or neglect a child by inflicting harm, by failing to act to prevent harm or by failing to meet a child's basic needs. Children may be abused within the family or in an institutional or community setting; by those known to them or by strangers; and increasingly, via the internet. They may be abused by an adult or adults or another child or children.

### 1. EMOTIONAL ABUSE

1.1. Emotional abuse is the persistent emotional maltreatment of a child such that it causes severe and persistent adverse effects on the child's emotional development.

1.2. Some level of emotional abuse is involved in all types of maltreatment, although it may also occur alone.

1.3. Emotional abuse may involve:

- Seeing or hearing the ill treatment of another, e.g. domestic abuse;
- Making a child feel worthless, unloved, inadequate, or valued only insofar as they meet the needs of another;
- Inappropriate age or developmental expectations;
- Overprotection and limitation of exploration, learning and social interaction;
- High criticism and low warmth;
- Serious bullying (including cyberbullying);
- Exploitation or corruption.

### 2. NEGLECT

2.1. Neglect is the persistent failure to meet a child's basic physical and/or psychological needs, likely to result in the serious impairment of the child's health or development.

2.2. Neglect may occur during pregnancy as a result of maternal substance misuse.

2.3. It may also include neglect of, or unresponsiveness to, a child's basic emotional needs.

2.4. Once a child is born, it may involve a parent or carer failing to:

- Provide adequate food, clothing and shelter (including exclusion from home or abandonment);
- Protect a child from physical and emotional harm or danger;
- Ensure adequate supervision, (including the use of inadequate care givers);
- Provide access to appropriate medical care or treatment.

### 3. PHYSICAL ABUSE

3.1. Physical abuse is deliberately hurting a child, causing physical harm and injuries such as bruises, broken bones, burns or cuts.

3.2. Physical harm may also be caused when a parent or carer fabricates the symptoms of, or deliberately induces illness in a child.

3.3. Physical abuse may involve hitting, shaking, throwing, poisoning, burning, scalding, drowning, suffocating, or otherwise causing physical harm to a child.

#### 4. SEXUAL ABUSE

- 4.1. Sexual abuse involves forcing or enticing a child or young person to take part in sexual activities, not necessarily involving a high level of violence, whether or not the child is aware of what is happening.
- 4.2. Activities may involve physical contact, including penetration of any part of the body, or non-penetrative acts.
- 4.3. They may include non-contact activities, such as involving children in looking at or in the production of sexual images including on the internet, watching sexual activities, encouraging children to behave in sexually inappropriate ways or grooming a child in preparation for abuse.
- 4.4. Child sexual Exploitation is also sexual abuse. It involves children receiving something, for example accommodation, drugs, gifts or affection, as a result of them performing sexual activities, or having others perform sexual activities on them. It could take the form of grooming of children, e.g. to take part in sexual activities or to post sexual images of themselves on the internet – see **Appendix 5** (Specific Safeguarding Issues.)

## APPENDIX 4 – Signs and Indicators of Abuse

1.1. The most important sign/indicator of abuse or neglect is a disclosure from a pupil and this will always be taken seriously. **Staff will give reassurance that they will be supported and kept safe. A pupil will never be given the impression that they are creating a problem by reporting abuse, sexual violence, sexual harassment or feel shame in doing so.**

1.2. Signs and indicators can often appear in a cluster. Serious case reviews have found that parental substance misuse, domestic abuse and parental mental health problems (known collectively as the ‘toxic trio’) coexisting in a family can increase the risks to children.

1.3. Pupils may show symptoms from one, all, or none of the categories, but staff will be vigilant to anything unusual displayed by the pupil. Many of the indicators below may be caused by other factors not connected to any form of abuse. However, if concerned, staff will always exercise professional curiosity and will share concerns with the DSL.

1.4. We are aware that in an abusive relationship, the child may:

- appear frightened of their parent/carer
- act in a way that is inappropriate to their age and stage of development (whilst taking into account the different patterns of development and different ethnic groups)

1.5. We are aware that in an abusive relationship, the parent or carer may:

- persistently avoid child health services and treatment of the child's illnesses
- have unrealistic expectations of the child
- frequently complain about or to the child and fail to provide attention or praise
- be absent
- be misusing substances
- persistently refuse to allow access on home visits by professionals
- be involved in domestic violence and abuse
- be socially isolated

1.6. Staff are constantly mindful that pupils with **special educational needs and disabilities** can face additional safeguarding challenges including:

- assumptions that indicators of possible abuse such as behaviour, mood and injury relate to the child's disability
- children with special educational needs and disabilities are particularly vulnerable to bullying and may show no outward signs
- communication issues can be a barrier to effective safeguarding

1.7. The following table gives some examples of what staff may see or hear, but **this is not an exhaustive list and should not be used as a checklist:**

<b>Signs of potential PHYSICAL ABUSE</b>	<ul style="list-style-type: none"><li>• Bruise marks consistent with either straps or slaps</li><li>• Undue fear of adults - fear of going home to parents or carers</li><li>• Aggression towards others</li><li>• Unexplained injuries or burns – particularly if they are recurrent (and especially in non-mobile babies)</li><li>• Any injuries not consistent with the explanation given for them</li><li>• Injuries that occur on parts of the body which are not normally exposed to falls, rough games</li><li>• Injuries to the side of the face, the ear, the neck</li><li>• Black eyes, particularly bilateral</li><li>• Reluctance to change for, or participate in games or swimming</li></ul>

## APPENDIX 5 – Specific Safeguarding Issues

1.1. The New Guild Trust staff members need to be aware of specific safeguarding issues and be alert to any risks.

1.2. The Stoke-on-Trent and Staffordshire Safeguarding Children Board Procedures has detailed information, policy and procedure on many of the specific issues identified below. We will follow the local procedures for responding to risks.

<http://www.safeguardingchildren.stoke.gov.uk/ccm/content/safeguarding-children/professionals-folder/procedure-manuals/d---cyp-specific-circumstances.en>

<https://www.staffsscb.org.uk/Professionals/Procedures/Section-Four/Section-4-Promoting-the-Welfare-Safety-of-Children-in-Specific-Circumstances.aspx>

1.3. The government website, [GOV.UK](http://www.gov.uk) also has broad government guidance on a variety of issues. ## 2. CHILDREN MISSING FROM EDUCATION

- 2.1. The New Guild Trust recognises the need to ensure that pupils attend school regularly and protect those who may go missing from education. The New Guild Trust will follow the policy and guidance issued by Stoke-on-Trent City Council and Staffordshire County Council on Children Missing from Education (CME) which can be found at:  
[www.safeguardingchildren.stoke.gov.uk/ccm/content/safeguarding-children/education/education.en](http://www.safeguardingchildren.stoke.gov.uk/ccm/content/safeguarding-children/education/education.en)  
[https://www.staffsscb.org.uk/Search.aspx?search\\_keywords=cme](https://www.staffsscb.org.uk/Search.aspx?search_keywords=cme)
- 2.2. A child going missing from education is a potential indicator of abuse or neglect.
- 2.3. We have an admission and attendance register and all pupils are placed on both registers.
- 2.4. We will work collaboratively with the local authority (and other agencies where appropriate) to share information about attendance.
- 2.5. If a registered pupil is continuously absent for two weeks without explanation, or fails to return from a holiday, the academy school will follow the normal procedures for investigating pupil absence (i.e. telephone calls, letters, invitations to meetings at the school etc). If, after further enquiries, the child has not returned to the academy school after a total of no more than two weeks, the matter will be referred to the Local Authority.
- 2.6. If a pupil suddenly ceases to attend without prior warning, and their whereabouts cannot be established, the academy school will immediately notify the Local Authority. If there are any reasons to be concerned for the child's safety, including any past history of concern, this will be raised immediately as a referral under **Stoke-on-Trent and Staffordshire** Safeguarding Children Board procedures.

## 3. CHILD SEXUAL EXPLOITATION (CSE) and CHILD CRIMINAL EXPLOITATION (CCE)

- 3.1. The New Guild Trust recognises the need to protect children and young people from sexual exploitation. Education staff are more likely to see victims on a regular basis than almost any other professional. They will notice recurrent or prolonged absences and significant changes in behaviour. Therefore we are key to identifying children at risk and will raise concerns at an early stage, to potentially halt the grooming process before sexual exploitation has begun.
- 3.2. The New Guild Trust will follow the **Stoke-on-Trent and Staffordshire** Safeguarding Children Board procedure which can be found at:  
<http://www.safeguardingchildren.stoke.gov.uk/ccm/content/safeguarding-children/professionals-folder/procedure-manuals/d--cyp-specific-circumstances.en>  
[https://www.staffsscb.org.uk/Search.aspx?search\\_keywords=cse](https://www.staffsscb.org.uk/Search.aspx?search_keywords=cse)  
<https://www.staffsscb.org.uk/wp-content/uploads/2020/12/Child-Sexual-Exploitation.pdf>
- 3.3. **Both** child sexual exploitation **and child criminal exploitation are forms** is a form of child sexual abuse. They occur where an individual or group takes advantage of an imbalance of power to coerce, manipulate or deceive a child or young person under the age of 18 into sexual **or criminal** activity (a) in exchange for something the victim needs or wants, and/or (b) for the financial advantage or increased status of the perpetrator or facilitator **and/or through violence or the threat of violence**. The victim may have been sexually exploited even if the sexual activity appears consensual. Child sexual exploitation does not always involve physical contact; it can also occur through the use of technology. **(DfE 2017)?**

**CSE and CCE can affect children, both male and female and can include children who have been moved (commonly referred to as trafficking) for the purpose of exploitation.**

The New Guild Trust are aware that the experience of girls who are criminally exploited can be very different to that of boys. The indicators may not be the same, however, girls are at risk of criminal exploitation too. Boys and girls being criminally exploited may be at a higher risk of sexual exploitation.

Sexual abuse may involve physical contact, including assault by penetration or nonpenetrative acts. It may include non-contact activities, such as involving children in the production of sexual images, forcing children to look at sexual images or watch sexual activities, encouraging children to behave in sexually inappropriate ways or grooming a child in preparation for abuse including via the internet.

3.4. Child sexual exploitation can occur over time or be a one-off occurrence, and may happen without the child's immediate knowledge, e.g. through others sharing videos or images of them on social media.

3.5. **Children cannot consent to being abused.** Irrespective of the child's age and even where a child may believe they are voluntarily engaging in sexual activity with the person who is exploiting them, it is not uncommon for children not to realise that they are being exploited.

3.6. Some of the following signs may be indicators of sexual **and criminal** exploitation:

- Children with unexplained gifts or new possessions;
- Having multiple mobile phones and worrying about losing contact via mobile phone;
- Children who associate with other young people involved in exploitation;
- Children who have older boyfriends or girlfriends;
- Inappropriate sexual or sexualised behaviour;
- Sexual activity/underage sexual activity;
- Sexually risky behaviour, 'swapping' sex;
- Seen at known places of concern;
- Involved in abusive relationships;
- Intimidated and fearful of certain people or situations;
- Hanging out with groups of older people, or anti-social groups, or with other vulnerable peers or known perpetrators;
- Children who suffer from sexually transmitted infections or become pregnant;
- Children who suffer from changes in emotional well-being;
- Children who misuse drugs and alcohol;
- Children who go missing for periods of time or regularly come home late;
- Children who regularly miss school or education or don't take part in education;
- Injuries from physical assault, physical restraint, sexual assault.

Further information on signs/indicators is available in Home Office guidance:

<https://www.gov.uk/government/publications/child-sexual-exploitation-definition-and-guide-for-practitioners>

<https://www.staffsscb.org.uk/wp-content/uploads/2020/08/Child-Exploitation-Strategy-FINAL.pdf>

3.7. Where a member of staff sees one or more of these indicators, or otherwise has cause for concern, this information will be recorded and passed, without delay, to the DSL following usual safeguarding procedures.

3.8. The New Guild Trust will use the Sexual Exploitation Risk Factor Matrix (RFM) to identify pupils at low, medium or high risk of sexual exploitation. The Matrix can be found at the ~~section 14~~ link below:

<https://www.staffsscb.org.uk/working-together-to-safeguard-children/child-exploitation/vamap/>

<http://www.safeguardingchildren.stoke.gov.uk/ccm/content/safeguarding-children/professionals-folder/procedure-manuals/d--cyp-specific-circumstances-en>  
[https://www.staffssecb.org.uk/Search.aspx?search\\_keywords=risk%20matrix%20for%20cse](https://www.staffssecb.org.uk/Search.aspx?search_keywords=risk%20matrix%20for%20cse)

3.9. Pupils will be referred to the CSE Panel if deemed appropriate, following completion of the Risk Factor Matrix.

3.10. We will also share information with Staffordshire Police Child Exploitation Team to contribute to their intelligence gathering to prevent and detect cases of CSE; so even apparently minor pieces of information should be given to the DSL.

- Staffordshire Police CSE Information Report form can be found at **Appendix 15**.

3.11. Where we identify that a child under the age of 13 is involved in sexual activity, this will always be immediately reported to the Police.

#### 4. PEER ON PEER ABUSE

All staff should be aware that children can abuse other children (often referred to as peer on peer abuse) and it can take many forms. It can happen both inside and outside of school and online. This is most likely to include, but may not be limited to:

- Bullying (including cyberbullying, prejudice-based and discriminatory bullying);
- Abuse with intimate partner relationships;
- Physical abuse such as hitting, kicking, shaking, biting, hair pulling, or otherwise causing physical harm;
- Sexual violence such as rape, assault by penetration and sexual assault;
- Sexual harassment, such as sexual comments, remarks, jokes and online sexual harassment;
- Consensual and non-consensual sharing of nude and semi-nude images and/or videos;
- Causing someone to engage in sexual activity without consent, such as forcing someone to strip, touch themselves sexually, or to engage in sexual activity with a third party;
- Voyeurism - upskirting, which typically involves taking a picture under a person's clothing without them knowing, with the intention of viewing their genitals or buttocks to obtain sexual gratification, or cause the victim humiliation, distress or alarm;
- Initiation/Hazing type violence and rituals.

All staff understand the importance of challenging inappropriate behaviours between peers that are actually abusive in nature. Addressing inappropriate behaviour can be an important intervention that helps prevent problematic, abusive and/or violent behaviour in the future. Procedures with regard to peer on peer abuse is detailed in **Appendix 6**.

UKCIS (UK Council for Internet Safety) guidance can be found at:

<https://www.gov.uk/government/publications/sharing-nudes-and-semi-nudes-advice-for-education-settings-working-with-children-and-young-people/sharing-nudes-and-semi-nudes-how-to-respond-to-an-incident-overview>

#### 4.1 ~~SEXTING~~

- ~~• Sexting among children can be a common occurrence in which the police may need to become involved, depending upon the circumstances.~~
- ~~• The DSL will record all incidents of sexting, and include both the actions taken and the actions not taken, together with the justifications for the decisions made.~~

In applying judgement to the sexting incident, the following will be considered:

- Significant age difference between the sender/receiver involved.
- If there is any external coercion involved or encouragement beyond the sender/receiver.
- If you recognise the child as more vulnerable than is usual.
- If the image is of a severe or extreme nature.
- If the situation is not isolated and the image has been more widely distributed.
- If this is not the first time children have been involved in a sexting act.
- If other knowledge of either the sender or recipient may add cause for concern.

4.2 This is not an exhaustive list, but presence of the above will escalate concern. We will manage cases of sexting in line with the LSCB policy – Responding to Sexting and Youth Produced Imagery, which is found at:

<http://www.safeguardingchildren.stoke.gov.uk/ccm/content/safeguarding-children/professionals-folder/procedure-manuals/d--cyp-specific-circumstances.en>

## 5. CHILD ON CHILD SEXUAL VIOLENCE AND SEXUAL HARASSMENT

Sexual violence and sexual harassment can occur between two children of any age and sex. It can occur through a group of children sexually assaulting or sexually harassing a single child or group of children. Sexual violence and sexual harassment exist on a continuum and may overlap; they can occur online and face to face (both physically and verbally) and are never acceptable.

Addressing inappropriate behaviour can be an important intervention that helps prevent problematic, abusive and/or violent behaviour in the future. Children who are victims of sexual violence and sexual harassment may have their educational attainment adversely affected.

Any report of sexual violence or sexual harassment made will be taken seriously. All staff are aware that it is more likely that girls will be the victims of sexual violence and sexual harassment and more likely that it will be perpetrated by boys. If staff have any concerns about a child's welfare they will act on them immediately rather than wait to be told or for the child to make a disclosure.

DfE guidance can be found at:

<https://www.gov.uk/government/publications/sexual-violence-and-sexual-harassment-between-children-in-schools-and-colleges>

Giving further advice on:

- What sexual violence and sexual harassment constitutes
- Important context to be aware of, including what is consent, power imbalances, and developmental stages.
- Harmful sexual behaviour (HSB) including that a child displaying HSB may be an indication that they are a victim of abuse themselves.
- Related legal responsibilities for schools.
- Advice on a whole school approach to prevent child on child sexual violence and sexual harassment
- More detailed advice on responding to reports of sexual violence and sexual harassment, including safeguarding and supporting both the victim and alleged perpetrator(s).

Any decisions regarding responding to reports of sexual violence and sexual harassment will be made on a case-by-case basis, with the designated safeguarding lead (or a deputy) taking a leading role and using their professional judgement, supported by other agencies, such as children's social care and the police as required.

Depending on the circumstances of the case; the procedure followed for child on child sexual violence and sexual harassment is outlined in Appendix 6 and Appendix 7.

## 6. SERIOUS VIOLENCE

All staff are aware of indicators, which may signal that children are at risk from, or are involved with serious violent crime. These may include:

- increased absence from school,
- a change in friendships or relationships with older individuals or groups,
- a significant decline in performance, signs of self-harm or a significant change in wellbeing, or signs of assault or unexplained injuries,
- unexplained gifts or new possessions could also indicate that children have been approached by, or are involved with, individuals associated with criminal networks or gangs,
- being male,
- frequently absent or permanently excluded from school,
- having experienced child maltreatment,
- having been involved in offending, such as theft or robbery.

6.1 All staff are aware of the associated risks and understand the measures in place to manage these. Advice for schools and colleges is provided in the Home Office's Preventing youth violence and gang involvement and its Criminal exploitation of children and vulnerable adults: county lines guidance:

<https://www.gov.uk/government/publications/advice-to-schools-and-colleges-on-gangs-and-youth-violence>

<https://www.gov.uk/government/publications/criminal-exploitation-of-children-and-vulnerable-adults-county-lines>

## 7. DOMESTIC VIOLENCE

7.1. The definition of "domestic violence and abuse" was updated by the Home Office in March 2013 to include the reality that many young people are experiencing domestic abuse and violence in relationships at a young age. They may therefore be Children in Need or likely to suffer significant harm. The latest definition from the Home Office is as follows:

"Any incident or pattern of incidents of controlling, coercive, threatening behaviour, violence or abuse between those aged 16 or over who are, or have been, intimate partners or family members regardless of gender or sexuality. The abuse can encompass, but is not limited to:

- Psychological
- Physical
- Sexual
- Emotional"

7.2. Staff should be aware that any disclosures made by children may have a background in domestic abuse and that this abuse may be part of an overall pattern of abuse or violence towards women and girls in the family. That said domestic abuse can also be experienced by males and assumptions should not be made based on the gender of perpetrators of domestic abuse.

7.3. The domestic violence and abuse policy can be found at:

<http://www.safeguardingchildren.stoke.gov.uk/ccm/content/safeguarding-children/professionals-folder/procedure-manuals/d---cyp-specific-circumstances.en>

## 8. FEMALE GENITAL MUTILATION (FGM)

8.1. The New Guild Trust recognises its duty to protect children and young people against the practice female genital mutilation and to immediately report to the Police, under section 5B of the Female Genital

Mutilation Act 2003 (as inserted by section 74 of the Serious Crime Act 2015) where it is known that FGM has been carried out on a child.

8.2. We will follow the **Stoke-on-Trent and Staffordshire** Safeguarding Children Board procedure which can be found at:

<http://www.safeguardingchildren.stoke.gov.uk/cem/content/safeguarding-children/professionals-folder/procedure-manuals/f-vulnerable-cyp.en>

<https://www.staffsscb.org.uk/wp-content/uploads/2020/12/Female-Genital-Mutilation.pdf>

8.3. Female Genital Mutilation comprises all procedures involving partial or total removal of the external female genitalia or other injury to the female genital organs. It is illegal in the UK and a form of child abuse with long-lasting harmful consequences.

8.4. Girls who are threatened with, or who have undergone FGM may withdraw from education, restricting their educational and personal development. They may feel unable to go against the wishes of their parents and consequently may suffer emotionally; they may appear anxious, depressed and emotionally withdrawn; present a sudden decline in her performance, aspirations or motivation.

**8.5. Signs that may indicate FGM is planned:**

- Child talking about getting ready for a special ceremony, procedure or celebration either abroad or in the UK;
- Family taking a long trip abroad;
- Child's family being from one of the 'at risk' communities for FGM (examples include Kenya, Somalia, Sudan, Sierra Leon, Egypt, Nigeria, Eritrea as well as non-African communities including Yemeni, Afghani, Kurdistan, Indonesia and Pakistan);
- Knowledge that the child's sibling has undergone FGM;
- Child talks about going to be 'cut';
- Child talks about preparing for marriage or preparing to become a woman;

*(NB – families travelling abroad for long holidays is not in itself unusual, and not all families from the above named countries will practice FGM.)*

**8.6. Signs that may indicate a child has undergone FGM:**

- Prolonged absence from school and other activities;
- Behaviour change on return from a holiday abroad, such as being withdrawn and appearing subdued;
- Bladder or menstrual problems;
- Finding it difficult to sit still and looking uncomfortable;
- Complaining about pain between the legs;
- Mentioning something somebody did to them that they are not allowed to talk about;
- Secretive behaviour, including isolating themselves from their peers;
- Reluctance to take part in physical activity;
- Repeated urinal tract infection;
- Disclosure.

8.7. Where a member of staff sees one or more of these indicators, or otherwise has cause for concern, this information will be recorded and passed on without delay to the DSL following usual safeguarding procedures.

8.8. Staff should be aware of new mandatory reporting requirements with regards to *known* cases of female genital mutilation (FGM) which require teachers to personally report to the police (on the telephone

number 101) cases where they discover that an act of FGM appears to have been carried out. Further details can be found in Annex A **B: Further Information** of Keeping Children Safe in Education 2021.

- 8.9. DfE multi agency **statutory guidance** ~~practice guidelines~~ for female-genital-mutilation (April 2016) : <https://www.gov.uk/government/publications/multi-agency-statutory-guidance-on-female-genital-mutilation>

## 9. FORCED MARRIAGE

- 9.1. The New Guild Trust recognises the need to protect children and young people against forced marriage.

- 9.2. We will follow the **Stoke-on-Trent and Staffordshire** Safeguarding Children Board procedure which can be found at:

<http://www.safeguardingchildren.stoke.gov.uk/ccm/content/safeguarding-children/professionals-folder/procedure-manuals/d--cyp-specific-circumstances.en>

<https://www.staffsscb.org.uk/wp-content/uploads/2020/09/Forced-Marriages.pdf>

- 9.3. A clear distinction must be made between a forced marriage and an arranged marriage. A forced marriage is a marriage that is performed under duress and without the full and informed consent or free will of both parties (and is therefore very different to an arranged marriage).

- 9.4. A forced marriage may be between children, a child and an adult, or between adults, and both males and females can be forced to marry against their will.

- 9.5. In referring to children, we refer to both primary and secondary school age children.

- 9.6. A forced marriage is considered to be domestic violence.

- 9.7. One Chance Rule - Where there are concerns about forced marriage, we will not speak to the family as professionals may only have one chance to speak to a potential victim and we therefore must ensure that the appropriate intervention, response and support is initiated.

- 9.8. Staff will pass any concerns immediately to the DSL and child protection procedures will be activated.

- 9.9. Further information on the role of educational establishments can be found in Multi-agency guidelines: Handling cases of forced marriage. pages 32-36. **Chapter 7:**

## 10. PREVENTING RADICALISATION

- 10.1. The New Guild Trust recognises the need to protect children and young people against the messages of all violent extremism including that linked to Far Right / Neo Nazi / White Supremacist, Al Qaeda / ISIS ideologies; Irish Nationalist and Loyalist paramilitary groups, and that linked to Animal Rights movements.

- 10.2. The New Guild Trust also recognises the statutory duty placed upon it by s26 of the Counter-Terrorism and Security Act 2015, in having due regard to preventing people from being drawn into terrorism, referred to as the “Prevent Duty”.
- 10.3. Radicalisation refers to the process by which a person comes to support terrorism and forms of extremism.
- 10.4. Extremism is defined as a vocal or active opposition to fundamental British values of democracy; the rule of law; individual liberty and mutual respect for different faiths and beliefs.
- 10.5. There is no place for extremist views of any kind within The New Guild Trust, whether from internal sources – pupils, staff, Trust Board or local community governors, or external sources - school community, external agencies or individuals.
- 10.6. Our curriculum is broad and balanced, promoting respect, tolerance and diversity. Children are encouraged to share their views and recognise that they are entitled to have their own different beliefs which should not be used to influence others.
- 10.7. We actively explore the spiritual, moral, social and cultural development of our pupils, and promote fundamental British Values.
- 10.8. Potential indicators of a child is at risk of being radicalised or exposed to extreme views might include:
- Spending increasing time in the company of other suspected extremists.
  - Day-to-day behaviour becoming increasingly centred on an extremist ideology, group or cause.
  - Loss of interest in friends and activities not associated with the extremist ideology, group or cause.
  - Possession of materials or symbols associated with an extremist cause.
  - Attempts to recruit others to the group/cause.
  - Communications with others that suggests identification with an extremist group, cause or ideology.
  - Using insulting or derogatory names for another group.
  - Increase in prejudice-related incidents committed by that person, which may include physical or verbal assault; provocative behaviour; derogatory name calling; prejudice related ridicule or name calling; refusal to co-operate; attempts to recruit to prejudice-related organisations; or condoning or supporting violence towards others.
- 10.9. If staff become aware that a child is vulnerable to being radicalised or exposed to extreme views, (including peer pressure, pressure from family members or other people, or from online); this will be reported directly to the DSL.
- 10.10. The DSL will liaise with other appropriate agencies, and make referrals directly to the Channel Panel if deemed necessary, at [prevent@staffordshire.pnn.police.uk](mailto:prevent@staffordshire.pnn.police.uk)
- 10.11. Channel is a programme which focuses on providing support at an early stage to people who are identified as being vulnerable to being drawn into extremism or terrorism. Engagement with the programme is entirely voluntary but we will encourage and support engagement at all stages.

## **11. PRIVATE FOSTERING**

- 11.1. The New Guild Trust recognises its duty to notify Children’s Social Care if a child is living in a private fostering arrangement.
- 11.2. Private fostering refers to a situation where a child or young person under 16 years of age (under 18, if they are disabled); is being cared for by someone other than a parent or close relative for 28 days or

more. (Close relatives are defined as grandparents, aunt, uncle or older sibling.) Carers may be members of the extended family (e.g. cousin, great aunt), friends of the family, or someone the child doesn't know.

- 11.3. This can include children sent from abroad to stay with family members, teenagers who may be living with the family of a friend, boyfriend or girlfriend and those living short term with host families while they take a course of study.
- 11.4. All staff are responsible for asking questions to clarify family arrangements if there is a change of living arrangements / person caring for the child; of if the relationship between the child and carer of the living arrangements are unclear, confusing or concerning.
- 11.5. Staff should also follow up any discussion with pupils about living arrangements which are unclear, confusing or concerning.
- 11.6. If a member of staff becomes aware that a pupil may be living in a Private Fostering arrangement, they will report this without delay to the DSL.
- 11.7. The DSL will encourage the parent/carer to inform the Local Authority. Additionally we will report the private fostering arrangements to the Local Authority by contacting the Safeguarding Referral Team on 01782 235100.

## **12. ANTI-BULLYING**

- 12.1. The New Guild Trust has zero tolerance with regards to bullying. ~~and we have an Anti-Bullying Policy which is set out in a separate document. This policy relates to all forms of bullying including cyber, racist, homophobic and gender related bullying.~~ Anti-bullying procedures are included in our PSHE and RSE Policy and relates to all forms of bullying: cyber, racist, homophobic and gender related.
- 12.2. The subject of bullying is also addressed at regular intervals in the personal, social and health education (PSHE) and relationships and sex education (RSE) curriculums and anti-bullying assemblies.
- 12.3. If the bullying is particularly serious, or the anti-bullying procedures are deemed to be ineffective, the Executive Head Teacher/Head of School and the DSL will consider implementing child protection procedures.
- 12.4. Staff members will neither allow nor condone bullying. To do so may lead to consideration under child protection and disciplinary procedures.

## **13. ONLINE SAFETY**

- 13.1. The New Guild Trust recognises our responsibility for online safety. We have an Online-Safety Policy which is set out in a separate document and includes guidance for all pupils in relation to Online Safety and using the internet and social media.
- 13.2. Staff will report their concerns to the DSL if they believe that children are using the internet, mobile technology or social media inappropriately (e.g. sexting). In these instances the DSL will be contacted for advice on how to proceed with regards to talking to parents/carers about Online Safety.
- 13.3. Cyber-bullying by pupils, via texts and emails, will be treated as seriously as any other type of bullying and will be managed through our anti-bullying procedures.

- 13.4. We have systems in place to prevent pupils being exposure to harm online. We have filters and monitoring systems in place which are regulated and risk assessed.
- 13.5. If we become aware that a pupil may be accessing materials inappropriate to their age, (including Facebook if under 13 years of age;) sending inappropriate e-mails, texts or images; or playing on games that are unsuitable (for example, games which have an 18 certificate); we will contact parents to discuss our concerns and to raise parents' awareness about the potential risk to their children and our duties to safeguard, which may involve referral to other agencies.
- 13.6. If staff become aware that a pupil is vulnerable to harm online, this will be reported immediately to the DSL and safeguarding procedures will be implemented.
- 13.7. In some extreme cases the Police may become involved if a child is at risk of exploitation due to their use of the internet or social media.

#### **14. CONTEXUAL SAFEGUARDING**

Safeguarding incidents and/or behaviours can be associated with factors outside the school or college and/or can occur between children outside the school or college. All staff, but especially the designated safeguarding lead (and deputies) should be considering the context within which such incidents and/or behaviours occur. This is known as contextual safeguarding, which simply means assessments of children (e.g. social care) should consider whether wider environmental factors are present in a child's life that are a threat to their safety and/or welfare. We understand the importance of providing as much information as possible as part of the referral process to allow assessments to consider all the available evidence and the full contact of any possible abuse.

For further information see ***Keeping Children Safe in Education 2021***  
<https://www.gov.uk/government/publications/keeping-children-safe-in-education--2>

#### **14b. School Emergency Opening / Closure Periods (e.g. Covid-19)**

**The academy schools recognise the risks to safeguarding pupils who are not able to attend school due to local or national lockdown periods (e.g. Covid-19), the academy schools will follow all DfE guidance on education for vulnerable children. Further safeguarding preventative and supportive activities will be employed by the Senior DSL and school safeguarding lead workers of the academy school to maintain contact with families at home, including teacher to parent texts, emails and telephone contact. The academy school will share information with local safeguarding teams to protect vulnerable children at home, including those that are not already within the thresholds of social care support.**

## APPENDIX 6 – Allegations of Abuse Made Against Other Children

- 1.1. The New Guild Trust believes that all pupils have a right to attend school and learn in a safe environment, free from harm by adults or other pupils.
- 1.2. The New Guild Trust recognises that some pupils will sometimes negatively affect the learning and wellbeing of others and their behaviour will be dealt with under the Behaviour and Rewards Policy.
- 1.3. **Peer on Peer Abuse** - Occasionally, allegations may be made against pupils by others in the academy school, which are of a safeguarding nature. Safeguarding allegations may include physical abuse, emotional abuse, sexual abuse and sexual exploitation.
- 1.4. To be considered a safeguarding allegation against a pupil, it is likely that some of the following features will be found:  
The allegation:
  - Is made against a pupil in relation to their behaviour towards a more vulnerable pupil;
  - Is of a serious nature, possibly including a criminal offence;
  - Raises risk factors for other pupils in the academy school;
  - Indicates that other pupils may have been affected by this pupil and their actions;
  - Indicates that children/young people outside the school may be affected by this pupil.
- 1.5. Examples of a safeguarding allegation against a pupil could include (but are not limited to):
  - Physical Abuse – for example, violence (particularly pre-planned;) or forcing others to use drugs or alcohol;
  - Emotional Abuse – for example, blackmail or extortion, threats and intimidation;
  - Sexual Abuse – for example, indecent exposure, indecent touching or serious sexual assault, forcing others to watch pornography or take part in sexting;
  - Sexual Exploitation – for example, encouraging other children to attend inappropriate parties; encouraging, photographing or filming other children performing sexual or indecent acts.
- 1.6. Where pupils are involved in gang activity, older pupils may attempt to recruit younger pupils using any or all of the above methods. Young people suffering from sexual exploitation themselves may be forced to recruit other young people.

### 2. MINIMISING THE RISK OF SAFEGUARDING CONCERNS PRESENTED BY A PUPIL

- 2.1. We will provide a developmentally appropriate PSHE syllabus which develops pupils' understanding of acceptable behaviour and keeping themselves safe.
- 2.2. Have systems in place for any pupil to raise concerns with staff, knowing they will be listened to, believed and valued.
- 2.3. Deliver targeted work on assertiveness and keeping safe to those pupils identified as being at risk.

### 3. WHAT TO DO

- 3.1. When an allegation is made by a pupil against another pupil, members of staff should consider whether the complaint raises a safeguarding concern. If there is a safeguarding concern the DSL should be informed.
- 3.2. A factual record should be made of the allegation, but no attempt at this stage should be made to investigate the circumstances.

- 3.3. The DSL may contact their 'Better Together' social worker, Education Lead or Advice and Access team or other relevant agency to discuss the case. It is possible that Children's Social Care are already aware of safeguarding concerns around this young person.
- 3.4. The DSL will follow through the actions from the discussion and make any referrals necessary, keeping a record of the concern, the discussion and any outcome in the files of both pupils.
- 3.5. If the allegation indicates a potential criminal offence has taken place, the police will be contacted at the earliest opportunity and parents informed (of both the pupil being complained about and the alleged victim).
- 3.6. Where neither Children's Social Care nor the Police accept the complaint, a thorough investigation will take place into the matter using the academy school's usual disciplinary procedures.
- 3.7. In situations where the academy school considers a safeguarding risk is present, a risk assessment should be undertaken and an individual risk management plan will be put in place to ensure that other pupils are kept safe and that the pupil concerned does not become a target for malicious allegations.
- 3.8. The plan will be reviewed continuously and a date set for a follow-up evaluation with everyone concerned.

## APPENDIX 7 – Dealing with Disclosures Made by a Child

### 1. ADVICE FOR ALL MEMBERS OF STAFF

- 1.1. The New Guild Trust will take seriously any disclosures of abuse or neglect made by a pupil.
- 1.2. When dealing with disclosures we don't 'lead pupils', make suggestions about what may have happened or who may be responsible, and we don't investigate what is being disclosed.
- 1.3. However, it may not always be clear from what a pupil first tells us, whether we are dealing with a safeguarding issue or not, and therefore we may need to clarify what is being said.
- 1.4. **TED QUESTIONS** are open questions that we will use to clarify or get a little more information about what has happened, so that we can initiate the right response, intervention and support:
  - Tell me what happened
  - Explain to me what happened
  - Describe what happened
- 1.5. When talking to pupils, we will take account of their age, understanding and preferred language, (which may not be English and therefore translation services might need to be sought); and consider how a child with a disability may need support in communicating.
- 1.6. The following guidance should be followed:
  - Listen to what is being said without displaying shock or disbelief.
  - Allow the child to talk freely.
  - Accept what is being said.
  - Do not ask direct or leading questions – use only open questions, if necessary, to clarify what is being said or how something has happened (TED questions above).
  - Reassure the child that what has happened is not their fault and that they have done the right thing in telling you.
  - Do not criticise the alleged perpetrator.
  - Do not make promises that you may not be able to keep.
  - Do not give your personal opinion.
  - Do not talk about your own personal experiences.
  - Do not promise confidentiality – it may be necessary to tell the DSL and to refer the child to Children's Social Care or inform the Police.
  - Do not ask the child to write anything down (this may be seen as a statement, and we are not trained to take statements).
  - Explain what has to be done next and who has to be told – **see Appendix 8** (over page)
  - Inform the DSL without delay, using your agreed system/protocol. This may mean completing a hand written record of concern form or logging onto an electronic system, recording what's happened and sending it to your DSL. (A template record of concern form can be found on the **SSCB** website.)
- 1.7. Dealing with a disclosure from a child and safeguarding issues can be stressful. Consider seeking support for yourself and discuss this with the DSL.

## APPENDIX 8 – Action to be Taken if you have a Concern About a Child

Action to be taken by:	What action to take if you have concerns
<p><b>Any member of staff</b></p> <p>(governor, volunteer, contractor, activity provider)</p>	<ol style="list-style-type: none"> <li>1. Discuss your concerns with the DSL or in their absence, with the Deputy DSL <b>as soon as possible, before the child leaves for the day.</b> <u>It is important that the child is not sent home at the end of the day without taking the right protective action.</u></li> <li>2. Complete the record of concern and pass/send it to the DSL.</li> <li>3. If the DSL or deputy is not available, you can speak to another senior member of staff. However, if you are unsure if this is a safeguarding concern, please contact the Better Together Social Worker, Advice and Access Team or Education Lead. If a referral to the Safeguarding Referral Team is required (SRT) please make the referral (see below)</li> <li>4. Inform the DSL about your consultation with SRT and what actions you have taken. Ensure all actions and decisions are recorded.</li> </ol>
Action to be taken by:	If you are concerned that the child is at risk of significant harm (Level 4)
<p><b>DSL or Deputy DSL</b></p>	<p style="text-align: center;"><b><u>CHILD AT RISK OF SIGNIFICANT HARM – SECTION 47</u></b></p> <p style="text-align: center;"><b>Use the SSSCB Threshold Guide to Levels of Need 2019 and if you are unsure contact your Better Together social worker, Advice and Access team or/and your Education Lead for advice.</b></p> <ol style="list-style-type: none"> <li>1. If the child is at <b>risk of significant harm (Section 47)</b> inform the family of your intention to refer to Children’s Social Care, (SRT) and why (<u>unless</u> to do so would increase the risk of harm; hinder the prevention/detection of a serious crime; lead to an unjustified delay in making enquiries about allegations of significant harm.)  <b>**With regards to Consent please refer to the SSSCB Threshold Framework ‘Consent and Confidentiality’ **</b></li> <li>2. Contact the Safeguarding Referral Team (235100 option 3) without delay. Ensure you have all relevant details to hand and provide as much information as you can about your concerns.</li> <li>3. If you believe that the child is in immediate danger, or you suspect a crime has been committed, you must also contact the police immediately on 999.</li> <li>4. Confirm your referral by sending SRT a <b>Multi-agency Referral Form (MARF)</b> within 24 hours (on home page of LSCB website)</li> <li>5. <u>If SRT have not informed you within 1 working day, whether or not your referral has been accepted, contact them to ascertain their decision.</u></li> <li>6. SRT may decide, in consultation with you, that the child’s needs are at Level 2 or 3 and that the school is best placed to provide support. See Early Help over page.</li> <li>7. ### **Role of the Lead Worker in Early Help**

The most appropriate professional to undertake the (Initial) Early Help Assessment is someone who has regular contact with the child/ren and has a relationship with them and their family. An Early Help Assessment is a holistic approach in identifying a family's needs and the support that is necessary to address their presenting needs.

#### **The Lead Worker will be responsible for:**

- Undertaking the (Initial) Early Help Assessment with the family;
- Ensuring that the (Initial) Early Help Assessment considers both the needs and strengths of all family members; engaging with other agencies and professionals to provide the support required that has been identified through the (Initial) Early Help Assessment; and
- Co-ordinating the Early Help Plan with the family, ensuring there is no duplication and that the support is manageable for the family.

#### **All agencies/professionals will be responsible for:**

- Providing the support that it identified through the Early Help Assessment;
- Being flexible about the duration and intensity of support provided based on the needs of the family;
- Offering practical 'hands on' support;
- Challenging family members where necessary, so that things can improve for them in the long term;
- Not giving up on families easily and persisting, even when things are difficult.

## APPENDIX 9 – Making a Referral to Children’s Social Care

- 1.1. It will almost always be the DSL, Deputy DSL or another member of the senior leadership team that makes referrals into Children Social Care. However, all staff know how to make a referral should they need to, in the absence of SLT.
- 1.2. Referrals to Children Social Care are made initially **by telephone only** if the child is ‘**At risk of significant harm**’ to the Safeguarding Referral Team (SRT) on 235100 during office hours and outside of office hours Emergency Duty Team on 234234. Referrals made under Section 17 Child in Need do not require a telephone call. Please refer by completing a MARF and emailing the SRT team at: [SRT.Referrals@Stoke.gov.uk](mailto:SRT.Referrals@Stoke.gov.uk).
- 1.3. Before making the call, ensure that you have all of the information to hand so that you can provide detailed and accurate information and answer any questions.
- 1.4. **Give as much information as you can about the child and family, including:**
  - Child’s full name;
  - Parents’ names;
  - Full address and contact telephone number for parents;
  - Date of birth for the child;
  - Family’s ethnic origin;
  - Does the child have a disability?
  - Are there any additional support needs? (Learning difficulties; communication needs)
  - Any information regarding the family composition; for example - other siblings in the household (how old and what school do they attend?) Who else lives at the house? Who usually looks after the child?
  - Do you have details of the GP or any other agencies involved with the family?
- 1.5. **Highlight the concerns with evidence:**
  - What are your concerns?
  - What is the trigger for this referral?
  - What is your evidence?
  - Use the Guide to Levels of Need document to evidence your referral/concerns.
- 1.6. **Clarify that your information has been received and understood as intended.**
- 1.7. **Do the parents/carers have knowledge of this referral?**
  - What is their response likely to be if professionals undertake a home visit?
  - Are there any risks to staff?
  - Are there further risks to child if the parents are made aware of the referral?
  - Have they refused to give consent?
- 1.8. **Early Help Assessment Refusal?**
  - Has an Early Help Assessment been completed with the family? If so when?
  - Attach all assessment documentation where possible.
  - Have the family refused an Early Help Assessment?
- 1.9. **Provide your details:**
  - Your full name, job title and relationship to the child.
  - Your contact details, including work mobile if you are unlikely to be in the office.
- 1.10. **Confirm your referral in writing within 24 hours on a Multi-Agency Referral Form (MARF).**

## APPENDIX 10 – Information Sharing and Consent

- 1.1. The New Guild Trust are committed to working openly and honestly with parents, carers and other agencies in order to ensure that pupil's needs are met. It is essential that everyone working with children can confidently share information. This is necessary not only to safeguard and protect children from harm but also to work together to support families to improve outcomes for all.
- 1.2. We may share information about parents, carers or children for investigations undertaken by Children's Social Care.
- 1.3. We will exercise professional curiosity by proactively seeking out information as well as sharing it. This means checking with other professionals whether they have information, and speaking to pupils alone.
- 1.4. The Data Protection Act 2018 is not a barrier to sharing information. It is there to ensure that personal information is managed in a sensible way and that a balance is struck between a person's privacy and public protection.
- 1.5. We will share any concerns we have with parents at an early stage, unless this would put a child at greater risk or compromise an investigation. Parents must be clear that our responsibilities are for safeguarding and protecting children and that this involves sharing information about them with other professionals.
- 1.6. **It is expected that we will seek the consent of parents or carers to make a referral to Children's Social Care** under s.17 Children's Act – **Child in Need**. If parents refuse to give consent but we decide to continue with the referral, we will make this clear to Children's Social Care when we contact them.
- 1.7. Any decision to refer the pupil without the parents' consent, will be recorded in the pupil's child protection file with a full explanation for the decision.
- 1.8. **We do not need parents' consent to make a referral if we consider the child is in need of protection**, under s.47 Children's Act; although in most cases we will inform them of the child protection referral.
- 1.9. **However we will not inform parents of referrals if we believe that:**
  - This would place the child or someone else at increased risk of harm;
  - It would prejudice the prevention or detection of a crime, or lead to loss of evidence for a police investigation;
  - It would lead to an unjustified delay in making enquiries into allegations of significant harm.
- 1.10. Any decision not to discuss concerns with a pupil's parents or carers will be recorded in the pupil's child protection file with a full explanation for the decision.
- 1.11. Consent is not necessary in cases where Children's Social Care are making child protection enquiries under section 47 of the Children Act 1989 and therefore when contacted by Children's Social Care, we can comply with their requests for information without seeking consent. Staff members must record what information has been shared and why.
- 1.12. If we are in any doubt about the need to seek consent, we will seek advice from the 'Better Together' social worker, the Advice and Access Team or Education Lead.
- 1.13. Keep a record of your decision to share information, with or without consent, and the reasons for it. Remember also that it is just as important to keep a record of why you decided not to share information as why you did so.

## 2. RECORD KEEPING

- 2.1. Good record keeping is an important part of the school's accountability to pupils and their families and will help us in meeting our key responsibility to respond appropriately to welfare concerns about children.
- 2.2. Records should be factual, accurate, relevant, up to date and auditable. They should support monitoring, risk assessment and planning for children and enable informed and timely decisions about appropriate action to take.
- 2.3. The DSL will ensure that records are maintained appropriately for pupils with safeguarding concerns and stand-alone files are created and maintained in line with requirements of the above guidance.

## 3. DISCUSSING CONCERNS WITH THE PUPIL, PARENTS OR CARERS

- 3.1. The New Guild Trust are committed to working openly and honestly with parents and carers in order to ensure that their child's needs are met.
- 3.2. This means that in most cases, any concerns the school may have about a pupil, will be discussed with parents or carers. This is because parents and carers need to know when we are worried about their child, so that we can work together to address any issues or concerns.
- 3.3. **Professional curiosity** will be exercised by staff, particularly where there is a concern about a pupil. This means that staff may ask questions of the pupil, parents or carers in order to clarify or ascertain the necessary facts to make a decision regarding what (if any) action to take.
- 3.4. We will abide by the principles set out above regarding information sharing and consent. When we make the referral, we will agree with Children's Social Care what the pupil and parents will be told, by whom and when.

## APPENDIX 11 – Working with Parents and Carers

- 1.1. The New Guild Trust is committed to working in partnership with parents and carers to safeguard and promote the welfare of their child/ren and to support them to understand our statutory responsibilities in this area.
- 1.1. We are committed to working with parents positively, openly and honestly. We ensure that all parents are treated with respect, dignity and courtesy. We respect parents' rights to privacy and confidentiality and will not share sensitive information unless we have permission or it is necessary to do so in order to safeguard a child from harm.
- 1.1. When new pupils join our school, parents and carers will be informed that we have a safeguarding policy. A copy will be provided to parents on request and is available on the school website. Parents and carers will be informed of our legal duty to assist our colleagues in other agencies with child protection enquiries and what happens should we have cause to make a referral to Children's Social Care or other agencies.
- 1.1. We will abide by the principles of information sharing and consent as outlined in **Appendix 10**. A lack of parental engagement or agreement regarding the concerns the school has about a child will not prevent the Designated Safeguarding Lead making a referral to the Safeguarding Referral Team in those circumstances where it is appropriate to do so.
- 1.1. In order to keep children safe and provide appropriate care for them, the academy school requires parents to provide accurate and up to date information regarding:
- Full names and contact details of all adults with whom the child normally lives;
  - The relationship between the child and the adults (as private fostering arrangements must be referred into Children's Social Care.)
  - Full names and contact details of all persons with parental responsibility (if different from above);
  - Emergency contact details for responsible people to contact in the event that parents/carers cannot be contacted;
  - Full details of any other adult authorised by the parent to collect the child from the academy school (if different from the above).
  - Any legal or criminal changes which effects parental responsibility e.g. Bail condition, court orders, MARAC arrangements (Multi-Agency Risk Assessment Conference).
- 1.1. The academy school will retain this information on the pupil file. The academy school will only share information about pupils with adults who have parental responsibility for a pupil or where a parent has given permission and the academy school has been supplied with the adult's full details in writing.
- 1.1. The academy school will share information with statutory agencies as outlined in Appendix 10 and 12.

## APPENDIX 12 – Children’s Social Care Response

### 1. CHILDREN’S SOCIAL CARE RESPONSES TO CONCERNS ABOUT A CHILD

- 1.1. Once Children’s Social Care has accepted our referral as needing a social-care-led response (Level 4 on the Guide to Levels of Need), a social work practitioner and their manager will evaluate the concerns to identify the sources and levels of risk and to agree what protective action may be necessary.
- 1.2. The evaluation of concerns and risks involve deciding whether:
  - The child needs immediate protection and urgent action is necessary; or
  - The child is suffering, or at risk of suffering, significant harm and enquiries need to be made under section 47 of the Children Act 1989; or
  - The child is in need and should be assessed under section 17 of the Children Act 1989.
- 1.3. We will co-operate with Children’s Social Care and the police in any emergency action they take using their legal powers for immediate protection of the child.
- 1.4. We will participate in any multi-agency discussions (strategy discussions), if invited to do so, and share information about the child and their family to plan the response to concerns.
- 1.5. We will share information about the child and their family for section 47 enquiries and section 17 assessments undertaken by Children’s Social Care.
- 1.6. We will ensure that a relevant staff member participates in all initial and review child protection conferences, that we are invited to attend. The staff member will work together with other agencies to discuss the need for and agree to an outcome-focused child protection plan and will ensure that the child’s wishes and views are considered in their own right.
- 1.7. If we are members of the core group to implement a plan, we will ensure a relevant staff member participates in all core group meetings.
- 1.8. We will ensure that we complete all actions allocated to us as part of the outcome-focused plan, whether a child protection plan or a child in need plan, in a timely way.
- 1.9. We will continue to monitor pupils once their plans are ended to ensure that they are supported and kept safe.

### 2. PROFESSIONAL CHALLENGE AND DISAGREEMENTS

- 2.1 The New Guild Trust recognises that working with children and families, and in particular child protection work, can be stressful and complex, as well as involving uncertainty and strong feelings. To ensure that the best decisions are made for children, we need to be able to challenge one another's practice.
- 2.2 We will promote a culture within our school that enables all staff members to raise, without fear of repercussions, any concerns they may have about the management of child protection in the school. This may include raising concerns about decisions, actions and inactions by colleagues in respect of individual children.
- 2.3 If necessary, staff members can speak with the Designated Safeguarding Lead, the **Executive** Head Teacher/Head Teacher of School, Trust Board/the Chair of Local Community Governing Body or with the Local Authority Designated Officer.

- 2.4 Co-operation across agencies is crucial; professionals need to work together, using their skills and experience, to make a robust contribution to safeguarding children and promoting their welfare within the framework of discussions, meetings, conferences and case management.
- 2.5 **If there are any professional disagreements with practitioners from other agencies, that the staff member involved has been unable to resolve informally, the DSL or the **Executive** Head Teacher/Head ~~Teacher~~ of School will raise concerns formally with the relevant agency's safeguarding lead in line with SSCB Escalation Policy.**
- 2.6 The Escalation Policy can be found at the link below:  
<http://www.safeguardingchildren.stoke.gov.uk/ccm/content/safeguarding-children/professionals-folder/procedure-manuals/g-appeals-and-disagreements.en>

## APPENDIX 13 – Managing Allegations Against Staff and Volunteers

- 1.1. The New Guild Trust aims to provide a safe and supportive environment which secures the well-being and very best outcomes for pupils at our academy schools.
- 1.2. We do recognise however, that sometimes the behaviour of adults may lead to an allegation of abuse being made.
- 1.3. The New Guild Trust follows the local **Stoke-on-Trent and Staffordshire** Safeguarding Children Board procedures - Managing Allegations against Adults Working with Children and Young People:  
<http://www.safeguardingchildren.stoke.gov.uk/ccm/content/safeguarding-children/professionals-folder/procedure-manuals/d---cyp-specific-circumstances/>  
<https://www.staffsscb.org.uk/wp-content/uploads/2020/09/Allegations-of-abuse-made-against-a-person-who-works-with-children.pdf>
- 1.4. If an allegation is made, or information is received about an adult who works or volunteers in our academy schools which raises concerns, the member of staff receiving the information should inform the **Executive**/Head Teacher/Head of School immediately.
- 1.5. Should an allegation be made against the **Executive**/Head Teacher/Head of School, this will be reported to the Trust Board/Chair of Local Community Governor Body.
- 1.6. In the event that neither the **Executive**/Head Teacher/Head of School nor Trust Board/Chair of Local Community Governor Body is contactable on that day, the information must be passed to and dealt with by either the member of staff acting as Head Teacher/Head of School or the Vice-Chair of Local Community Governor Body.
- 1.7. Any member of staff or volunteer who does not feel confident to raise their concerns with the **Executive** Head Teacher/Head of School or Trust Board/Chair of Local Community Governor Body can contact the Local Authority Designated Officer directly.
- 1.8. We also have a Confidential Reporting (Whistleblowing) Policy which is accessible to all staff.
- 1.9. When a concern is raised about an adult in our academy schools, the Head Teacher (or other appropriate person, as above); will seek advice from the Local Authority Designated Officer (LADO) at the earliest opportunity (and certainly within 1 working day). No one will undertake further investigations until they receive advice from the LADO.
- 1.10. The Local Authority Designated Officer will convene a strategy meeting when there are concerns that a person in a position of trust has:
  - *Behaved in a way that has harmed a child, or may have harmed a child;*
  - *Possibly committed a criminal offence against or related to a child; or*
  - *Behaved towards a child or children in a way that indicates they may pose a risk of harm to children.*
- 1.11. We will work closely with Children's Social Care and the Police, if they are involved, to support with any assessment or investigation as required.
- 1.12. The staff member who is the subject of the allegation will be advised to contact their union, professional association or a colleague for support, (depending on the outcome of the strategy discussion/meeting with the LADO). HR will ensure that the staff member is provided with appropriate support, if necessary, through occupational health or welfare arrangements.

- 1.13. If the LADO deems that the referral does not meet the criteria for his involvement, we may still undertake our own investigation into the alleged events and if necessary, invoke disciplinary procedures.
- 1.14. The academy school has a legal duty to refer to the Disclosure and Barring Service (DBS) anyone who has harmed, or poses a risk of harm, to a child, or if there is reason to believe the member of staff has committed one of a number of listed offences, and who has been removed from working (paid or unpaid) in regulated activity, or would have been removed had they not left. The DBS will consider whether to bar the person.
- 1.15. If these circumstances arise in relation to a member of staff at our school, a referral will be made as soon as possible after the resignation or removal of the individual in accordance with advice from the LADO and HR.
- 1.16. **FOR INFORMATION** - The NSPCC whistleblowing helpline is also available for staff who do not feel able to raise concerns regarding child protection failures internally.
- Telephone free: - 0800 028 0285 (line is available from 8.00am to 8.00pm, Monday to Friday.)
  - Email: [help@nspcc.org.uk](mailto:help@nspcc.org.uk)

## APPENDIX 14 – Safer Recruitment

- 1.1. The New Guild Trust has robust recruitment and vetting procedures to help to deter, reject and prevent unsuitable people from working or volunteering within our academy schools.
- 1.2. New Guild Trust job advertisements and application packs make explicit reference to the academy school's commitment to safeguarding children, including clear statements in the job description and person specification about the staff member's safeguarding responsibilities, including that it is an offence to apply if an applicant is barred from engaging in regulated activity relevant to children.
- 1.3. We require evidence of original academic certificates.
- 1.4. We do not accept testimonials in place of an application form and insist on taking up references prior to interview. Any concerns raised will be explored further with referees and taken up with the candidate at interview.
- 1.5. We will question the contents of application forms if we are unclear about them or if there are gaps in employment.
- 1.6. Our shortlisting process will involve at least two people and at least one member on every shortlisting and interview panel will have completed safer recruitment training.
- 1.7. The New Guild Trust subscribes to the eBulkPlus online disclosure service through Stoke-on-Trent City Council HR Business Management.
- 1.8. All staff members who have contact with children, young people and families will have mandatory appropriate pre-employment checks (including Enhanced Disclosure and Barring Service checks); in line with Keeping Children Safe in Education 2021. All offers of appointment will be conditional until satisfactory completion of the pre-employment checks.  
Pre-employment checks will verify:
- A candidate's identity (from their birth certificate)
  - A separate children's barred list check
  - The candidate's mental and physical fitness to carry out their work and responsibilities
  - The person's right to work in the UK, including EU nationals.
  - If the person has lived or worked outside the UK, make further appropriate checks – Home Office guidance on criminal records checks for overseas applicants can be found at: <https://www.gov.uk/government/publications/criminal-records-checks-for-overseas-applicants/guidance-on-the-application-process-for-criminal-records-checks-overseas>  
Obtaining a letter (via the applicant) from the professional regulating authority in the country (or countries) in which the applicant has worked confirming that they have not imposed any sanctions or restrictions, and or that they are aware of any reason why they may be unsuitable to teach. Applicants can find contact details of regulatory bodies in the EU/EEA and Switzerland at <https://ec.europa.eu/growth/tools-databases/regprof/>  
Applicants can also contact the <https://cpq.ecctis.com/> who will signpost them to the appropriate EEA regulatory body.  
Further information about recruiting teachers from overseas can be found in DfE Guidance: <https://www.gov.uk/guidance/recruit-teachers-from-overseas>
- 1.9. Written notification will be obtained from any agency or third party organisation (e.g. for supply staff), that they have carried out the checks on an individual who will be working at any school within The New Guild Trust.

1.10. We maintain a Single Central Register Record (SCR) of all safer recruitment checks for all staff carried out in line with statutory requirements. Guest visitors will also be checked in line with statutory requirements and risk assessed robustly. The Local Community Governing Body will check the SCR on a termly basis and record accuracy and actions.

1.11. The details of an individual are removed from the SCR once they no longer work at any school within The New Guild Trust.

1.12. A flowchart of disclosure and barring service criminal record checks and barred list checks is included in Keeping Children Safe in Education 2021 Part 3 Safer Recruitment p.60.

### Staffordshire Police CSE Information Report

#### Gathering Intelligence about Child Sexual Exploitation

Staffordshire Police have devised a process by which agencies, parents, carers and young people can provide information about perpetrators. This is gathered and used in situations where there may be no evidence available or the victim is either unwilling or unable to provide a police statement. This occurs in the vast majority of cases of sexual exploitation. Therefore, the opportunity to provide intelligence means that the police can build a sufficient picture over a period of time and act upon it. This could potentially interrupt and disrupt criminal activity where young people are being exploited.

#### What to collect?

Information on child sexual exploitation includes details on:

- Suspects – names, nicknames, addresses, dates of birth and descriptions of suspects of CSE
- Vehicles – registration numbers, partial registration numbers, make and model, colour and distinguishing features or marks of vehicles used by suspects
- Telephones – details of phone numbers and mobile phones used by suspects and details of any text messages of phone calls made by them or to them
- Locations – details of locations where offences have taken place or suspects/victims frequent
- Offences – details of criminal offences that have not been recorded by the police either because the victim has not been identified or the victim denies them or refuses to cooperate with the police
- Date and times – that incidents occurred or suspects or vehicles seen
- Links – between suspects, vehicles, locations and young people identified at risk of CSE

The more detailed and precise the information is the better the quality of intelligence. The intelligence forms are not to be used for the following:

- To report a crime
- To pass information to the police about a crime that is already being investigated
- To raise a child protection concern

Intelligence can be reported from 3 perspectives:

1. Disclosure by a Young Person at Risk
2. Incident Witnessed by a Professional
3. Information from another Person

Submit the completed intelligence form onto the Child Exploitation Team.

[childexploitation@staffordshire.pnn.police.uk](mailto:childexploitation@staffordshire.pnn.police.uk)

If you do not have a secure e-mail facility then please call the CET on 101 ext. 3604 to discuss.

**Please note** – this form is **NOT** a referral form.

Agencies should refer to the CSE Policy document Staffordshire Section 4Ha, Stoke-on-Trent Section D14 and follow the process outlined. Referrals should be made to First Response (Staffordshire) or the Safeguarding Referral Team (Stoke-on-Trent) or to the Police. This form is to collect intelligence only and may then be used to assist police in building a case.

## Appendix 16 to Safeguarding Policy – COVID Guidance for Staff

This appendix reflects any safeguarding procedures that have changed as a result of the COVID-19 outbreak.

Our safeguarding policy and the guidance contained in “Keeping Children Safe in Education” still apply.

School leaders are staying up-to-date by accessing any updated advice from local safeguarding partners and disseminate important advice to staff promptly.

SLT have compiled a list of all those pupils who fall under the vulnerable children definition as advised by the DfE.

When not self-isolating due to symptoms, CP children are in school and should they not attend, phone calls to the home are made immediately and where contact is not successful, the relevant social worker will be called immediately using the new helpline **(01782 237074)**.

All other vulnerable children receive regular welfare check calls by members of the safeguarding team, the frequency of which depend on the level of risk. The result of these checks are reported to SLT through CPOMS.

In addition, the school’s safeguarding team have identified some children they feel need to be monitored as well even though they do not fall under the narrow definition of “vulnerable”. They also receive weekly phone calls to check on their welfare.

~~Infants and Juniors are operating in this crisis time on one site and have agreed a rota which has always one DSL or Deputy SL on duty.~~

Records will be kept for all children protection and welfare concerns on CPOMS for pupils on roll at academy schools. Paper records of concern will be written for any children attending the provision who are not on roll at an academy school.

Any support for social workers or the Virtual Head is continuing.

The online safety lead is liaising with parents and reiterating the importance that the children follow online safety measures at home. Parents are encouraged to report any form of online incidents to the school.
