Statement of Intent

Each school understands that visits and visits can be effective ways of encouraging interest and motivation in pupils, and they can often offer unique educational experiences. The school aims to ensure that pupils are engaged in their learning and are given opportunities to explore this in a more practical setting.

Each school also takes the health and wellbeing of our staff and pupils very seriously. We take reasonable steps, as stated in the Health and Safety at Work etc. Act 1974, to ensure the health and safety of our employees, as well as our pupils. 5. Planning School Visits

This policy should be read in conjunction with supporting documents, including the **Guidance for the management of outdoor learning, May 2019 (GMOL)**.

- 5.1. Aims and purpose
Each school has a strong commitment to the added value of learning beyond the statutory school day and beyond the school premises.
Within each class's programme of work the teachers plan educational visits and activities that support the children's learning.
Visits and activities usually take place within the school day. The Headteacher approves all such visits in advance. We follow the Local Authority's guidelines relating to health and safety.
- 5.2. Prior to planning a school visit, the following guidance will be read by organisers:
- DfE (2014) 'Health and safety: advice on legal duties and powers'
 - HSE (2011) 'School visits and outdoor learning activities'
- 5.3. Each school shall complete a school visit checklist when organising a school visit.
- 5.4. Residential visits
When undertaking residential visits, permission of the Local Authority will be granted and the LA Guidance will be adhered to in the organisation of the visit. All specialist activities are undertaken with qualified instructors.

6. Risk Assessment Process

- 6.1. A risk assessment must be undertaken prior to all educational visits and off-site activities. 'Risk assessment' is a careful examination of what could cause harm to pupils, staff or others, together with an identification of the control measures necessary in order to reduce risks to a level which, in the professional judgement of the assessor, is deemed to be acceptable (i.e. low).

In considering risk, there are 3 levels which visit leaders should be mindful:

- Generic Risks - normal risks attached to any activity out of school. These will be covered by reference to the 'Educational Visits Checklist' to be found on EVOLVE
- Event Specific Risk - any significant hazard or risk relating to the specific activity
- Ongoing Risk – the monitoring of risks throughout the actual visit as circumstances change

The risk assessment needs to take into consideration any child who has a EHCP or additional needs.

- 6.2. The process is as follows:

- Identify the hazards
- Decide who might be harmed and how
- Evaluate the risks and decide on precautions
- Record findings and implement them
- Review assessment and update if necessary

- 6.3. Risk assessments are to be completed and entered electronically onto Evolve by the organising Class Teacher (Visit Leader)

- 6.4. All members of staff and volunteers have seen a copy of the risk assessment or been informed of the content of the risk assessment before the visit takes place.

- 6.5. A paper copy is to be inserted into the Visits file after it has been signed by the Visit Leader, EVC and Head.

- 6.6. Water 'Margin' Activities

Where pupils might participate in learning activities near or in water, such as a walk along a riverbank or seashore, collecting samples in ponds or streams, or paddling or walking in gentle, shallow water, then the guidance contained in DfES 'Group Safety at Water Margins' is relevant (see EVOLVE). All staff should be provided with a copy of this guidance prior to the visit.

7. Equal Opportunities

- 7.1. The school promotes values of equality and does not discriminate against any individual or group of pupils when organising a visit.

- 7.2. The extra-curricular visits and activities offered to pupils will provide new experiences and develop life skills.

- 7.3. Extra-curricular visits and activities are organised, managed and conducted in accordance with the school's Equal Opportunities Policy.

- 7.4. Where possible, pupils will be given the opportunity to contribute to the planning and organisation of extra-curricular visits and activities.

- 7.5. For school visits that require additional payment, the fee will be reasonable and help will be provided where possible for pupils who cannot afford the initial fee.

8. Safe Use of Transport

- 8.1. Parents/carers are always informed as to the type of transport being provided for an educational visit.
- 8.2. Coaches. Seat belts must be provided on all seats. Each child must wear a seatbelt whilst travelling on a coach. The visit leader is responsible for the conduct and behaviour of the children whilst they are traveling.
- 8.3. Only members of staff who have received training in accordance with the LA's policy may drive the minibus. Before using the vehicle, the driver completes a checklist and reports any defects to a member of the Senior Leadership Team, or Headteacher.
- 8.4. The minibus is checked each half term by the premises assistant using the mini bus checklist.
- 8.5. The SBM is responsible for arranging the annual maintenance of the minibuses, including MOTs and road tax.
- 8.6. The use of minibuses will be organised in accordance with the Minibus Policy.
- 8.7. The driver will have a current driving licence, be aged 25 years or over, and hold a full licence in at least a category D PCV in order to drive on a domestic school visit.
- 8.8. Category B PCVs may be acceptable in certain circumstances, as outlined in the Minibus Policy.
- 8.9. Drivers will complete the relevant form and supply a photocopy of their driving licence.
- 8.10. If a member of staff is taking children out of school in their own car they must have Business Insurance.
- 8.11. The driver must be accompanied by a second member of staff when using their own vehicle.

9. Staffing

- 9.1. In all circumstances, there must be additional employed persons to support any child / children with additional special educational needs on a 1:1 basis. These members of staff must not be included in the general adult : child ratio.
