**Parent/Carer Conferences update Spring Term 2022**

Dear parent/carers,

As I know some of you are aware we have had to cancel some of our parent/carers conferences this term, this is due to levels of staffing in school currently. We have made the decision to cancel all further scheduled parent/carers conferences for this term and reschedule for the summer term. Sending a huge thanks for your understanding and patience with this decision.

Of course, if you have anything you would like to discuss with your child's teacher then do not hesitate to get in touch and don't feel you have to wait until the parent/carers meetings, we are here to support you as always.

I will write to you after the Easter holidays and let you know the new dates for the parent/carers conferences in the summer term.

Many thanks again for your understanding,

Mrs Wright

Head of school

Mrs Peters

Head Teacher
