INTRODUCTION AND PURPOSE

The purpose of this policy is to make clear to all voluntary helpers exactly what is expected of them.

DEFINITION

Voluntary support is anyone who assists the teacher/support staff, in or out of the classroom, with the implementation of the Curriculum or pastoral duties with the children in their care. All persons assisting in each individual school will be subject to a DBS (Disclosure Barring Service) check before working in school.

AIMS

- To support the teacher/support staff with classroom preparation and general duties.
- To support the children as and when needed.
- To supply the teacher/support staff with any relevant information about the needs of a particular child or group of children.
- To advise on the progress made by these children.

EXPECTATIONS

- All voluntary helpers are expected to be punctual and reliable and to ensure that the individual school is notified if they are unable to attend.
- All voluntary helpers will be expected to dress appropriately and adhere to the school's Dress Code.
- Everyone will be referred to by their title and surname by the children, and not by their Christian name.
- Voluntary helpers must adhere to each individual school's policy at all times.

Volunteers will be required to complete the Volunteer Application Form (Appendix 1) which includes their contact details, type of activities they would like to help with, and the times they are available to help.

As part of the application process, the school will require the names and addresses of 2 referees. Previous contact can be no longer than 6 months. A referee may not be a family member and will preferably be a previous employer or representative of an organisation where the volunteer has previously been established. If this is not possible, a character witness from a reliable source.

Prior to placement, volunteer helpers/students will be required to attend a short informal interview with the Headteacher and the nominated teacher who leads on supporting the management and placement of volunteers.

TO KEEP CONFIDENTIALITY

- This means that if an incident has been observed in the playground, school or classroom, voluntary support must be trusted not to discuss anything with the parents of the children concerned or with any other person, other than the class teacher/support staff.

- If a voluntary helper notices anything which is of concern, it must be reported to a member of staff immediately, e.g. distressed child, regular bruises, child who does not communicate well, child who may be having difficulty with sight or hearing, child who constantly has 'toilet accidents'; the school Safeguarding and/or Whistleblowing Policies must be followed. There should be no discussion about children, staff or school policy and practice outside of the school. (See below for safeguarding expectations.)
- If there is a breach of confidentiality, voluntary support will be thanked for their help, but will be told that their help is no longer required as trust has been broken. (See Appendix 2)

INDIVIDUAL SCHOOL POLICIES

It is the responsibility of all volunteers to access and read all individual school's relevant policies. It is essential for volunteers to read the following policies:

Positive Behaviour and Rewards
Equality, Diversity and Cohesion
Health and Safety
Inclusion/SEND

Safeguarding and Child Protection
S.E.N.
Whistleblowing

SAFEGUARDING

The Children's Act 2004 (Section 11) places a duty on key people and bodies to make arrangements to ensure that when carrying out their functions they take account of the need to safeguard and promote the welfare of children.

"The New Guild Trust is committed to safeguarding and promoting the welfare of children and young people and expects all its staff and volunteers to share this commitment. All post holders are subject to a satisfactory Enhanced Disclosure and Barring Service check (DBS Checks)".

The welfare of our children is paramount. This policy has been based on the Department for Education document 'Keeping Children Safe in Education – 2022'. It is commended to Headteachers and Governors to use in support of previous correspondence from both the DfE and also the Local Authority.

- Verify identity, preferably from current photographic ID and proof of address.
- Obtain a certificate for an Enhanced DBS check with a barred list information.
- Not be subject to a prohibition order issued by the Secretary of State, using the Employer Access Online service.
- Provide the relevant information about a person who lives or works in the same household as them, as a check for potential disqualification by association. (This requirement guards against an individual working with young children who may be under the influence of a person who lives with them and where that person may pose a risk to children i.e. 'by association'.)
- If the DBS has been applied for through the College/University the school will need to receive evidence of recent clearance.

HEALTH AND SAFETY

A copy of the Health and Safety Policy is available and the voluntary support is expected to be familiar with this. If a voluntary helper sees anything, which constitutes a health and safety issue, they must inform the Headteacher/Head of School/Deputy Head/Assistant Head, or School Business Manager immediately.

This Policy will be reviewed annually.
