Dear Parents and carers of children in Year 3,

This half term our children have focused on the Geography topic of The Rainforest. From this they have learnt about different animals that live in the rainforest.

As part of this topic, we have arranged for a full day workshop from The Unconventional Menagerie. This will be for the morning and will take place on **Monday 9th February**. This event will be the equivalent of taking our children on an educational visit, the education workshop group are bringing the experience into school rather than us visiting them. We are really looking forward to this event and feel the children will get so much real life experience from it. They will have the opportunities to see, learn about and even hold a range of exotic creatures!

We are sure you will agree that this will be an amazing morning for the children and hopefully one they will talk about for a long time. As a result of this, we are asking for a voluntary contribution of **£8.00** towards the cost of this event, as the school will still be charged for the educational visit. The contribution will need to be paid for via **Parentpay**. If we don't get enough contributions we may have to cancel this visit.

If you have any concerns or questions regarding this event, please contact your child's class teacher in the first instance.

Yours Sincerely,

Mrs Hughes and Mrs Barber (Year 3 teachers)
