

Spring Term 2024

We just wanted to let you know about all the fantastic activities we have planned for the end of this term.

Library Visits

We are excited to share with you that all of our classes have had or will be having the pleasure of visiting Tunstall library and have all chosen a book to loan. These books will stay in school and will be collected before Easter by the library. Please talk to your child about their visit and the book they have chosen.

Thursday 7th March

***World Book Day** - As always, children are invited to come dressed as a character from a book. If children choose not to dress up, please send your child in school uniform. There will be a story teller in school working with every class so don't forget to ask your child about it when they come home. We will also be completing our 'sponsored readathon' this week, which the children have all been informed about, posts have been on Class Dojo and sponsorship forms should have come home. Please help to support our school by helping your child to raise sponsorship money to fill our library with new books. There will also be an exciting paper plate character competition going on throughout the day, complete with prizes.*

***World Book Day themed dinner menu** will be served for dinner today, a copy of the menu has been sent on classdojo and text. A copy can also be found on our website under letters to parents and carers.*

Friday 8th March

***Science Selfie competition deadline** - Children need to take a photograph and in one sentence explain how it is science. It could be planting seeds, making slime, finding signs of spring, looking at the effects of exercise on the body, baking... whatever they like! Photographs need to be sent to your child's teacher via Class Dojo by this date. There will be prizes for the most creative photographs, with the winners announced during our Science Week, on **Friday 15th March**.*
