Homework Policy

After considering parental feedback from our parent questionnaires we have decided to review our homework policy.

Moving forward the homework for Year 3, Year 4 and Year 5 will be the following:

- To read at least 3 times per week and get their diary signed. 5 times a week would be fabulous as we all know the importance of reading in all our lives and the quality time that is created through doing this.
- Log onto to Ed shed and learn their spellings for that week.
- Log on to TT Rock stars and battle for 10 minutes at least 3 times a week, again 5 or everyday would be amazing!

By encouraging and supporting your child to complete these activities each week you are giving them the tools they need for life! No other homework will be set by the teachers.

Year 6 will continue to complete their homework in their own study books as this helps to prepare them for their SATS tests at the end of the year and also helps to get them into a good habit of completing homework in preparation for high school, where they will be expected to complete regular homework.

After school homework club will continue and the children will be supported to complete their weekly tasks of reading, spellings and times tables. Year 6 are supported by staff from their year group to assist them in completing their homework.

Yours Sincerely,

Mrs Wright

(Head of School)
