Dear Parent/Guardian

ADMISSIONS TO SECONDARY SCHOOL SEPTEMBER 2023

This letter relates to your child's transfer to secondary education in September 2023. An information booklet is also available on our website www.stoke.gov.uk/admissions which sets out the schools we have in the city and the process of how places will be allocated. Please read this before making your application.

The closing date for applications is **31 October 2022**. The most efficient way of applying for a school place is to apply on-line. This can be done via our website www.stoke.gov.uk/admissions from 5 September 2022 until the closing date of 31 October 2022. You can now nominate up to **five** schools on your application and should include the names of any maintained schools or academies you wish your child to be considered for. You can also nominate schools in any other authority. **We strongly advise you to put down your nearest school to where you live, even if it is a 5th preference** as many children in previous academic years were given an offer of a school many miles from their home address as this was often the nearest school that had a place available after the allocations.

When you apply on-line, you will receive an email confirmation that your application has been successfully submitted. You will also receive an email on 1 March 2023 (if you request to receive one) informing you of the outcome of your application.

If you do not apply on-line, you will need to complete a paper application form. This can be obtained from the first week of October 2022 by e-mailing admissions@stoke.gov.uk or contacting your child's primary school. The completed form should be returned to the Admissions Team or the Primary School by the closing date of 31 October 2022. We will then write to you on 1 March 2023 to let you know the outcome of your application.

If you wish to apply for a church aided school or academy, include the school on your application and provide any additional information that is required such as a baptism certificate. Please look at the school's specific admissions policy to determine the additional information required and to help you decide whether your application is likely to be successful. If you apply on-line this should be forwarded separately to the Admissions Team at the admissions@stoke.gov.uk email address.

Please find overleaf a list of dates and times of Stoke-on-Trent Secondary School and Academy Open Evenings. Should you have any further queries or questions about the admissions process, please email the Admissions Team on admissions@stoke.gov.uk.
