## CHRISTMAS ELF!

By Liliana (Y6)

Hello Moorpark! I have noticed that a lot of classes have been visited by elves! In one class, an elf tried to bring back a snowman but it melted! In another, one elf had trapped himself into the Crack the Code Box!

Many of you may also have elves at home. I would love to know what they have been up to. So, if you can, write a note about what your elf has been up to and post the note into the letterbox in the hall. We will publish some of these in the New Year.

Merry Christmas and a Happy New Year from all of the MPJ News Team.

## WORD AWARE

By Saffah (Y4)

Temporary: When something is not there for long.

*"The snow is only temporary. I wish it would stay for longer!"*

## SCIENCE ARTICLE

By Brooke (Y5)

You may have seen about volcanoes on the news recently. Did you know that some volcanoes are active? Active means that they could erupt at any time. Most volcanoes are found in what is called "The Ring of Fire", which is around the Pacific Ocean.

## FACT FILE ARTICLE

By Beaux (Y5)

Here are some facts about The World Cup:
