Richmond (Y4): Quiz Master

Pearl (Y6): Quiz Master

Emily (Y6): Assistant

Suraiya (Y6): Assistant

Emma (Y6): Assistant

Gabriella (Y6): Assistant

Miss Poole: Print Manager

WOMEN'S FOOTBALL

By Liliana (Y6)

The Football Association has announced plans to ensure that young women have access to high quality football training in the UK.

New football academies will also be built in partnership with Women's Super League clubs for older girls. It is hoped that this new structure will help to ensure that football becomes more inclusive, and make it much easier for young, talented players to play professional football at any country or club level.

Did you know that hundreds of years ago, football was banned to girls? The change is still happening.

WORD AWARE

By Madyson and Kelsi (Y6)

School: A place where you are educated. A place to learn.

"Children and adults all over the world go to school and learn something new."

SCIENCE ARTICLE

By Brooke (Y5)

What is climate change? Climate change describes a change in conditions (such as temperature), over a long period of time. Scientists believe that the Earth's surface is warming, which could have a negative impact on how humans continue to live on the planet.

FACT FILE ARTICLE

By Beaux (Y5)

Here are some facts about Shakespeare:

- Shakespeare was an English writer. He wrote 39 plays and 100s of poems. His most famous play is Romeo and Juliet.
- He invented a lot of words and phrases such as: "the world is my oyster."
- He was born in 1564, and you can still visit his house in Stratford-Upon-Avon.
- A lot of his characters died in tragic ways.

ECO-COUNCIL

Here are some ways we can help to save the planet at school:

- Don't waste paper! When you have finished with paper, make sure it goes in the blue recycle bin.
- Turn lights off in rooms that are being used.
- Make sure taps are turned off.

STUDENT ART WORK

By Dominika (Y4)

STUDENT WRITTEN WORK

By Ana (Y4)

(part two)

The next thing he knew, he was in a land full of huge trees. Boom boom boom... a thud rumbled the floor. It can't be, can it? A T-Rex, the size of a hotel ran towards him! He thought he was going to be eaten, and so he ran as fast he could. What the scientist didn't know was that this T-Rex was special. It only wanted to say hi and have a tea party.

QUIZ SECTION

By Richmond (Y4) and Pearl (Y6)

Complete these questions about Moorpark Junior for your chance to win a prize!

Name: _____ Class: _____

1. What board game do we move around when a class reads 3 times or more?
