

Dear Parents,

We are delighted to announce that author and ‘Mathemagician’, Andrew Jeffrey, will be visiting our school on 26<sup>th</sup> June as part of a week-long tour of Stoke-on-Trent schools. Andrew is in demand internationally as one of the country’s leading speakers in the field of primary mathematics education. His books, articles and Magic Maths shows have been featured in numerous education journals and on UK Television.

Andrew is the founder of **Maths Week England**, the world’s largest national maths festival. He has been a teacher and consultant for over twenty years and is also a professional magician. Find out more from Andrew’s website at <http://www.andrewjeffrey.co.uk/>.

Andrew will be performing his motivational show, the Magic of Maths, to all the children. He will also be bringing copies of his book, *Magic for Kids*. But this is not the kind of book you could buy in WH Smith! This is a professionally designed and printed full-colour book of 25 fun magic tricks, most of which use simple but clever mathematical principles to make them work. *Your child will learn to perform magic and be doing maths at the same time!*

Andrew is keen to stress that it is NOT necessary to buy the book to watch and enjoy the shows. The book is primarily aimed at children in Year 2 upwards, and not just the maths whizzes!

**Although the book normally costs £10, you have the opportunity to pre-order signed copies for only £6. Better still, Andrew is donating £1 to our school funds for each book purchased using the private link.**

**To take advantage of this offer, here’s what you need to do:**

**1.** Visit <https://andrewjeffrey.co.uk/teaching-resources/mfk2> or scan the QR code above.

**2.** Fill in your child’s name on the order page as shown, and whether or not you wish their name to be added. Remember to click ‘SUBMIT’.

**3.** Select your child’s year group, which enables us to distribute the books on the day.

**4.** On the checkout page, you *must* use the coupon code **‘MOORPARK’**. (This ensures both that your discount will be applied and that the book will be delivered to the correct school!)

N.B. The code will only work until midnight on 24<sup>th</sup> June. All books ordered by that time will be brought to the school, and presented to your child on the day of the show.

Yours sincerely,  
Mrs Rooney
