DIARY OF A WIMPY KID

By Mariyah (Y6)

Hello Moorpark Junior!

For our second issue this year, I will be telling you about the brand new *Diary Of A Wimpy Kid* book which was published on the 24th October!

It is called: *Diary of A Wimpy Kid - No Brainer*. It is the 18th book in the series and follows Greg Heffley on another of his funny adventures.

In this book, it is up to Greg to save his school from being closed down for good. If you have read the other books, then you know that middle school has definitely not been a joyride for Greg. Yet, he is willing to put all this behind him to save the school!
