

Subject: Request for Donations of **Buckets & Spades** for Opal Programme playground.

Dear Parents and Carers,

We hope this message finds you well.

We are excited to announce that we are working to create a **Sandpit Play Area** in our Opal playground to be launched in Spring 2026 aimed at providing an extra fun and imaginative space for our children to enjoy during break times and lunch times. To help bring this idea to life, we are kindly asking for donations of **buckets and spades** in good condition.

If you have any buckets and spades that are no longer being used and would like to donate them to the school, we would be very grateful. Donations can be dropped off at the school reception. We kindly request that all items are clean and in good condition.

Thank you in advance for your support in helping us create a fun and safe environment for the children to enjoy!

Yours Faithfully,

Farah Gorton & Jacob Copeland

(Opal Programme Play Coordinators)
