

MOORPARK NEWSLETTER

MARCH 2026

This term, each class has started a new topic and began to learn all about that chosen subject. In music, we have also been looking at new songs that we will be performing as a part of a whole school performance.

The MPJ News Team has also had three new members join. These three children have been chosen to be "Play Detectives". Their job is to discuss new play ideas for our OPAL playground. This will be done through our physical newsletter and our podcast.

Speaking of podcasts, our first podcast of this academic year is officially on YouTube. Have a listen to us on the Moorpark Junior channel!

WOW WORD

Determined

(Adjective - describing word)

Having made a decision, and not wanting to change it.

"Alina was determined to be heard at playtime."

SUPER SCIENCE SECTION

Did you know that:

- NASA frequently conducts missions to space in March.
- The full moon in March is called "Worm Moon". This is because the floor is heating up and earthworms are likely to come out more.

ECO COUNCIL'S TOP TIPS

- Turn off the tap when not in use.
- Save electricity! Turn off lights and plugs when not in use.
- Make sure your classroom has a scrap paper drawer as this can help to reuse paper and save waste.

PLAY DETECTIVES (OPAL)

The MPJ News Team have three new members joining the team.

Our new Play Detectives are currently training on how to write a newsletter and take part in the podcast. Watch this space for new playground activities to try!
