Dear parents/carers,

We allow children in Year Six to have the opportunity and responsibility to walk to and from school alone. This is at the discretion of every parent. We ask that parents speak to their children about the safety aspects of walking to and from school alone. We will keep a record in the classroom of those children who are allowed to do so.

Please be aware that if your child makes the wrong choices (eg: anti-social behaviour) whilst they are walking to and from school, this privilege will be revoked and parents will need to drop off and collect their children as normal from school. We ask that parents and carers support the school with this, to keep our community and children safe.

Please indicate below if you are happy for your child to walk to and from school alone by ticking the appropriate box at the bottom of this letter and returning to school as soon as possible. Until we receive this letter back, children will need to be dropped off and picked up by a parent as normal.

If your child is walking to and from school and you would like them to carry a mobile phone for safety, please ensure that they hand this in to the school office when they arrive in school as mobile phones are not permitted in school. They will then be able to collect their phones at the end of the day.

If you have any concerns about this matter, please do not hesitate to contact us.

Yours sincerely,

Mrs L. Wright

Headteacher
